### Re: Purchase of Receivables from LPG

Ladies and Gentlemen:

Based on our recent discussions and as requested by you, this letter confirms certain facts regarding past purchases of receivables from Litigation Practice Group P.C. ("LPG") and/or certain marketing affiliates of LPG (collectively, the "Marketing Affiliates").

To date, Debt Validation Fund II, LLC ("DVF") has provided \$42,000,000 of funding to Validation Partners (the "Funding") for the purchase of certain receivables of (a) LPG or (b) one or more Marketing Affiliates. With the Funding, Validation Partners has purchased \$42,000,000 worth of receivables that are to be paid, as described below, by LPG.

The Funding took place in more than one transaction, but the total expected aggregate return to DVF is \$56,700,000 (inclusive of the Funding). To date, DVF has received \$11,520,000.

In the case of receivables of LPG, the ultimate payor of those receivables are the clients of LPG. In the case of receivables of the Marketing Affiliates, the ultimate payor of those receivables is LPG. In both cases, the receivables were to be collected by Validation Partners over a twenty-four month period. In turn, Validation Partners would use these receivables to make payments to DVF over a 13 month period to meet the expected aggregated return mentioned above.

Validation Partners is wholly-dependent on LPG to make any payments towards the receivables and has remitted, and will remit, to DVF any such amounts received from LPG in connection with receivables purchased with the proceeds of the Funding.

If the foregoing is consistent with your understanding of the same, please countersign this letter below.

Sincerely,

VALIDATION PARTNERS LLC

THIS PROMISSORY NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD, TRANSFERRED, OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SUCH ACT AND LAWS.

### SECURED PROMISSORY NOTE

\$66,372,815.44

Dated as of September 1, 2022

FOR VALUE RECEIVED, the undersigned, The Litigation Practice Group P.C. (the “Borrower”), promises to pay to the order of Debt Validation Fund II, LLC (the “Holder”), by wire transfer to an account designated by Holder from time to time, the principal sum of \$66,372,815.44, together with any accrued interest thereon no later than September 26, 2024 (the “Maturity Date”), pursuant to the terms of this promissory note (this “Promissory Note”).

#### 1 Payment Schedule.

Beginning on August 31, 2022, and continuing thereafter on the last day of each calendar month, the Borrower promises to pay the principle and interest on the principal amount of this Promissory Note according to the amortization schedule set forth in Schedule A hereto. If Borrower shall fail to pay the amount due on Schedule A on or before the due date set forth therein, the amount of such shortfall shall continue to remain due and owing, and shall accrue interest at the statutory rate of 10% simple interest per annum, and if such shortfall amounts remain unpaid after sixty days, at a statutory rate of 25% simple interest per annum..

In the event that Borrower receives any proceeds with respect to its claims against OptimumBank and its affiliates and related parties regarding the ongoing disputes relating to overbilling of Borrower’s customers by OptimumBank or any of its affiliates, Borrower shall direct 100% of such proceeds to repayment of this Promissory Note.

In the event that Borrower earns net profits in any calendar month, Borrower shall pay 80% of such net profit to Borrower on the first day of the following calendar month which be applied against the amortization schedule set forth in Schedule A hereto. For purposes of this Promissory Note, “net profits” shall be deemed to not include any payments to Validation Partners LLC, Validation Partners Fund III LLC, or any individual member of either entity.

The Borrower shall pay the outstanding principal, and all accrued but unpaid interest on this Promissory Note to the Holder on the Maturity Date.

Notwithstanding the foregoing, the principal and all accrued but unpaid interest on this Promissory Note shall be due and payable upon the occurrence of an Event of Default (as defined below).

2 **Event of Default.** It is expressly provided that upon an Event of Default (as defined below), Holder may, at its option, without further notice or demand, (i) declare the outstanding principal balance of and accrued but unpaid interest on this Promissory Note at once due and payable, (ii) refuse to advance any additional amounts under this Promissory Note, (iii) pursue any and all other rights, remedies and recourses available to the holder hereof, including, but not limited to, any such rights, remedies or recourses under this Promissory Note at law or in equity, and also including, but not limited to, proceed to protect and enforce its rights by suit in equity, action at law or by other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Promissory Note, or (iv) pursue any combination of the foregoing; and in the event default is made in the prompt payment of this Promissory Note when due or declared due, and the same is placed in the hands of an attorney for collection, or suit is brought on same, or the same is collected through probate, bankruptcy or other judicial proceedings, then the Borrower agrees and promises to pay all costs of collection, including reasonable attorney's fees. The occurrence of any of the following shall constitute an "**Event of Default**":

a failure by the Borrower to pay any amounts due hereunder within five (5) business days after receipt of written notice of such failure from the Holder in accordance with the terms hereof; provided, that Holder shall not deliver such written notice unless Borrower has been delinquent on more than 50% of the total amounts due under Section 1(a) for greater than a total period of six months on a rolling monthly basis;

if the Borrower shall commence a voluntary case or other proceeding seeking relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, custodian or other similar official of its, or any substantial part of its, property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors; or

if the Borrower breaches or defaults under any covenants or agreements under this Promissory Note.

3 **Grant of Security Interest.** Borrower hereby grants to Holder a security interest in all of Borrower's right, title and interest in and to all of the assets of Borrower wherever located, whether held by Borrower or any other person (including Holder, any financial institution or securities intermediary). Borrower shall not make any payments towards other indebtedness or other similarly situated third parties if Holder is in default of this Promissory Note as set forth in paragraph 2, above. Holder has been informed of all existing obligations by Borrower, and is aware that payments to such obligees will continue absent a default as set forth herein. For purposes of this paragraph, payments to vendors or affiliates who provide services to Borrower shall not be deemed payments toward indebtedness and shall not be considered similarly situated to Holder.

4 **Voluntary Prepayment.** This Promissory Note may be prepaid at any time prior to the Maturity Date without penalty provided that the Borrower shall pay all payments as set forth on Schedule A.

5 **Application of Payment.** All payments made pursuant to this Promissory Note shall first be applied to the fees and reimbursable expenses owing to the Holder, then to the unpaid interest accrued under this Promissory Note, and then to the repayment of outstanding principal.

6 **Late Charge.** In the event that (a) any installment on this Promissory Note is not paid on the date due, or (b) upon maturity of this Promissory Note, if the outstanding principal balance (plus all accrued but unpaid interest) is not paid within ten (10) days of the Maturity Date, Borrower will be charged a delinquency fee of the *lesser* of (i) ten percent (10%) of the sum of the delinquent installment payment, or (ii) \$10,000.00. The Borrower agrees with Holder that the charges set forth herein are reasonable compensation to Holder for the handling of such late payments.

7 **Remedies Cumulative.** No remedy herein conferred upon the Holder is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise.

8 **Remedies Not Waived.** No course of dealing between the Borrower and the Holder or any delay on the part of the Holder in exercising any rights hereunder shall operate as a waiver of any right.

9 **Maximum Lawful Rate.** It is the intent of the Borrower and the Holder to conform to and contract in strict compliance with applicable usury law from time to time in effect. In no way, nor in any event or contingency (including but not limited to prepayment, default, demand for payment, or acceleration of the maturity of any obligation), shall the rate of interest taken, reserved, contracted for, charged or received under this Promissory Note exceed the highest lawful interest rate permitted under applicable law (the "**Maximum Lawful Rate**"). If Holder shall ever receive anything of value which is characterized as interest under applicable law and which would apart from this provision be in excess of the Maximum Lawful Rate, an amount equal to the amount which would have been excessive interest shall, without penalty, at the option of Holder, be applied to the reduction of the principal amount owing on this Promissory Note in the inverse order of its maturity and not to the payment of interest, or refunded to the Borrower or the other payor thereof if and to the extent such amount which would have been excessive exceeds such unpaid principal. All interest paid or agreed to be paid to the holder hereof shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term (including any renewal or extension) of this Promissory Note so that the amount of interest on account of such obligation does not exceed the maximum permitted by applicable law. As used in this Section, the term "**applicable law**" shall mean the laws of the State of Delaware or the federal laws of the United States, whichever laws allow the greater interest, as such laws now exist or may be changed or amended or come into effect in the future.

10 **Financial Information.** The Borrower agrees to promptly furnish such financial information and statements, including monthly financial statements in a format acceptable to Holder, lists of assets and liabilities, ageing of receivables and payables, inventory schedules, budgets, forecasts, tax returns, and other reports with respect to Borrower's financial condition and business operations as Holder may request from time to time. Borrower shall be given a reasonable amount of time to furnish information demanded not to exceed ten days from the end

of each calendar month. At all times until this Promissory Note is repaid in full or otherwise discharged, Borrower shall provide to Holder or its representatives during normal business hours, full access to the properties, assets, books, agreements, commitments and records of Holder and its business. At all times until this Promissory Note is repaid in full or otherwise discharged, Borrower and its advisors and legal representatives will make themselves and others available to Holder and its representatives and provide Holder and its representatives with all information reasonably requested by Holder.

11 **Holder; Transfer.** The term “Holder” as used herein shall also include any transferee of this Promissory Note. Each transferee of this Promissory Note acknowledges that this Promissory Note has not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be transferred except pursuant to an effective registration statement under the Securities Act or pursuant to an applicable exemption from the requirements thereof. The Borrower is not permitted to assign or transfer this Promissory Note or any of its obligations under this Promissory Note without the prior written consent of Holder.

12 **Replacement of Promissory Note.** Upon receipt by the Borrower of an affidavit of an authorized representative of the Holder stating the circumstances of the loss, theft, destruction or mutilation of this Promissory Note (and in the case of any such mutilation, upon surrender and cancellation of such Promissory Note), the Borrower, at its expense, will promptly execute and deliver, in lieu thereof, a new Promissory Note of like tenor.

13 **Covenants Bind Successors and Assigns.** All the covenants, stipulations, promises and agreements in this Promissory Note contained by or on behalf of the Borrower shall bind its successors and assigns, whether so expressed or not.

14 **Governing Law.** THIS PROMISSORY NOTE SHALL BE GOVERNED BY, CONSTRUED IN ACCORDANCE WITH, AND ENFORCED UNDER, THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS OR INSTRUMENTS ENTERED INTO AND PERFORMED ENTIRELY WITHIN SUCH STATE.

15 **Severability.** If any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired, unless the provisions held invalid, illegal or unenforceable shall substantially impair the benefits of the remaining provisions hereof.

16 **Headings.** The headings in this Promissory Note are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

17 **No Oral Agreements.** THIS WRITTEN PROMISSORY NOTE REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

IN WITNESS WHEREOF, the Borrower has executed this Promissory Note as of the date first written above.

**Re: Purchase of Receivables from LPG**

Ladies and Gentlemen:

Based on our recent discussions and as requested by you, this letter confirms certain facts regarding past purchases of receivables from Litigation Practice Group P.C. ("LPG") and/or certain marketing affiliates of LPG (collectively, the "Marketing Affiliates").

To date, MC DVI Fund 1, LLC and MC DVI Fund 2, LLC (together, "MC Funds") have provided \$25,794,600 of funding to Validation Partners (the "Funding") for the purchase of certain receivables of (a) LPG or (b) one or more Marketing Affiliates. With the Funding, Validation Partners has purchased \$25,794,600 worth of receivables that are to be paid, as described below, by LPG.

The Funding took place in more than one transaction, but the total expected aggregate return to MC Funds is \$34,822,710 (inclusive of the Funding). To date, MC Funds have received \$9,374,850.

In the case of receivables of LPG, the ultimate payor of those receivables are the clients of LPG. In the case of receivables of the Marketing Affiliates, the ultimate payor of those receivables is LPG. In both cases, the receivables were to be collected by Validation Partners over a twenty-four month period. In turn, Validation Partners would use these receivables to make payments to MC Funds over a 13 month period to meet the expected aggregated return mentioned above.

Validation Partners is wholly-dependent on LPG to make any payments towards the receivables and has remitted, and will remit, to MC Funds any such amounts received from LPG in connection with receivables purchased with the proceeds of the Funding.

If the foregoing is consistent with your understanding of the same, please countersign this letter below.

Sincerely,

MC DVI Fund 1 and MC DVI Fund 2

THIS PROMISSORY NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE SOLD, TRANSFERRED, OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SUCH ACT AND LAWS.

### SECURED PROMISSORY NOTE

\$37,384,818.84

Dated as of September 1, 2022

FOR VALUE RECEIVED, the undersigned, The Litigation Practice Group P.C. (the “Borrower”), promises to pay to the order of MC DVI Fund 1, LLC and MC DVI Fund 2, LLC (the “Holder”), by wire transfer to an account designated by Holder from time to time, the principal sum of \$37,384,818.84, together with any accrued interest thereon no later than September 26, 2024 (the “Maturity Date”), pursuant to the terms of this promissory note (this “Promissory Note”).

#### 1 Payment Schedule.

Beginning on August 31, 2022, and continuing thereafter on the last day of each calendar month, the Borrower promises to pay the principle and interest on the principal amount of this Promissory Note according to the amortization schedule set forth in Schedule A hereto. If Borrower shall fail to pay the amount due on Schedule A on or before the due date set forth therein, the amount of such shortfall shall continue to remain due and owing, and shall accrue interest at the statutory rate of 10% simple interest per annum, and if such shortfall amounts remain unpaid after sixty days, at a statutory rate of 25% simple interest per annum..

In the event that Borrower receives any proceeds with respect to its claims against OptimumBank and its affiliates and related parties regarding the ongoing disputes relating to overbilling of Borrower’s customers by OptimumBank or any of its affiliates, Borrower shall direct 100% of such proceeds to repayment of this Promissory Note.

In the event that Borrower earns net profits in any calendar month, Borrower shall pay 80% of such net profit to Borrower on the first day of the following calendar month which be applied against the amortization schedule set forth in Schedule A hereto. For purposes of this Promissory Note, “net profits” shall be deemed to not include any payments to Validation Partners LLC, Validation Partners Fund III LLC, or any individual member of either entity.

The Borrower shall pay the outstanding principal, and all accrued but unpaid interest on this Promissory Note to the Holder on the Maturity Date.

Notwithstanding the foregoing, the principal and all accrued but unpaid interest on this Promissory Note shall be due and payable upon the occurrence of an Event of Default (as defined below).

2 **Event of Default.** It is expressly provided that upon an Event of Default (as defined below), Holder may, at its option, without further notice or demand, (i) declare the outstanding principal balance of and accrued but unpaid interest on this Promissory Note at once due and payable, (ii) refuse to advance any additional amounts under this Promissory Note, (iii) pursue any and all other rights, remedies and recourses available to the holder hereof, including, but not limited to, any such rights, remedies or recourses under this Promissory Note at law or in equity, and also including, but not limited to, proceed to protect and enforce its rights by suit in equity, action at law or by other appropriate proceeding, whether for the specific performance of any covenant or agreement contained in this Promissory Note, or (iv) pursue any combination of the foregoing; and in the event default is made in the prompt payment of this Promissory Note when due or declared due, and the same is placed in the hands of an attorney for collection, or suit is brought on same, or the same is collected through probate, bankruptcy or other judicial proceedings, then the Borrower agrees and promises to pay all costs of collection, including reasonable attorney's fees. The occurrence of any of the following shall constitute an "**Event of Default**":

a failure by the Borrower to pay any amounts due hereunder within five (5) business days after receipt of written notice of such failure from the Holder in accordance with the terms hereof; provided, that Holder shall not deliver such written notice unless Borrower has been delinquent on more than 50% of the total amounts due under Section 1(a) for greater than a total period of six months on a rolling monthly basis;

if the Borrower shall commence a voluntary case or other proceeding seeking relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, custodian or other similar official of its, or any substantial part of its, property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors; or

if the Borrower breaches or defaults under any covenants or agreements under this Promissory Note.

3 **Grant of Security Interest.** Borrower hereby grants to Holder a security interest in all of Borrower's right, title and interest in and to all of the assets of Borrower wherever located, whether held by Borrower or any other person (including Holder, any financial institution or securities intermediary). Borrower shall not make any payments towards other indebtedness or other similarly situated third parties if Holder is in default of this Promissory Note as set forth in paragraph 2, above. Holder has been informed of all existing obligations by Borrower, and is aware that payments to such obligees will continue absent a default as set forth herein. For purposes of this paragraph, payments to vendors or affiliates who provide services to Borrower shall not be deemed payments toward indebtedness and shall not be considered similarly situated to Holder.

4 **Voluntary Prepayment.** This Promissory Note may be prepaid at any time prior to the Maturity Date without penalty provided that the Borrower shall pay all payments as set forth on Schedule A.

5 **Application of Payment.** All payments made pursuant to this Promissory Note shall first be applied to the fees and reimbursable expenses owing to the Holder, then to the unpaid interest accrued under this Promissory Note, and then to the repayment of outstanding principal.

6 **Late Charge.** In the event that (a) any installment on this Promissory Note is not paid on the date due, or (b) upon maturity of this Promissory Note, if the outstanding principal balance (plus all accrued but unpaid interest) is not paid within ten (10) days of the Maturity Date, Borrower will be charged a delinquency fee of the *lesser* of (i) ten percent (10%) of the sum of the delinquent installment payment, or (ii) \$10,000.00. The Borrower agrees with Holder that the charges set forth herein are reasonable compensation to Holder for the handling of such late payments.

7 **Remedies Cumulative.** No remedy herein conferred upon the Holder is intended to be exclusive of any other remedy and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise.

8 **Remedies Not Waived.** No course of dealing between the Borrower and the Holder or any delay on the part of the Holder in exercising any rights hereunder shall operate as a waiver of any right.

9 **Maximum Lawful Rate.** It is the intent of the Borrower and the Holder to conform to and contract in strict compliance with applicable usury law from time to time in effect. In no way, nor in any event or contingency (including but not limited to prepayment, default, demand for payment, or acceleration of the maturity of any obligation), shall the rate of interest taken, reserved, contracted for, charged or received under this Promissory Note exceed the highest lawful interest rate permitted under applicable law (the "Maximum Lawful Rate"). If Holder shall ever receive anything of value which is characterized as interest under applicable law and which would apart from this provision be in excess of the Maximum Lawful Rate, an amount equal to the amount which would have been excessive interest shall, without penalty, at the option of Holder, be applied to the reduction of the principal amount owing on this Promissory Note in the inverse order of its maturity and not to the payment of interest, or refunded to the Borrower or the other payor thereof if and to the extent such amount which would have been excessive exceeds such unpaid principal. All interest paid or agreed to be paid to the holder hereof shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full stated term (including any renewal or extension) of this Promissory Note so that the amount of interest on account of such obligation does not exceed the maximum permitted by applicable law. As used in this Section, the term "applicable law" shall mean the laws of the State of Delaware or the federal laws of the United States, whichever laws allow the greater interest, as such laws now exist or may be changed or amended or come into effect in the future.

10 **Financial Information.** The Borrower agrees to promptly furnish such financial information and statements, including monthly financial statements in a format acceptable to Holder, lists of assets and liabilities, ageing of receivables and payables, inventory schedules, budgets, forecasts, tax returns, and other reports with respect to Borrower's financial condition and business operations as Holder may request from time to time. Borrower shall be given a reasonable amount of time to furnish information demanded not to exceed ten days from the end

of each calendar month. At all times until this Promissory Note is repaid in full or otherwise discharged, Borrower shall provide to Holder or its representatives during normal business hours, full access to the properties, assets, books, agreements, commitments and records of Holder and its business. At all times until this Promissory Note is repaid in full or otherwise discharged, Borrower and its advisors and legal representatives will make themselves and others available to Holder and its representatives and provide Holder and its representatives with all information reasonably requested by Holder.

11 **Holder; Transfer.** The term “Holder” as used herein shall also include any transferee of this Promissory Note. Each transferee of this Promissory Note acknowledges that this Promissory Note has not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be transferred except pursuant to an effective registration statement under the Securities Act or pursuant to an applicable exemption from the requirements thereof. The Borrower is not permitted to assign or transfer this Promissory Note or any of its obligations under this Promissory Note without the prior written consent of Holder.

12 **Replacement of Promissory Note.** Upon receipt by the Borrower of an affidavit of an authorized representative of the Holder stating the circumstances of the loss, theft, destruction or mutilation of this Promissory Note (and in the case of any such mutilation, upon surrender and cancellation of such Promissory Note), the Borrower, at its expense, will promptly execute and deliver, in lieu thereof, a new Promissory Note of like tenor.

13 **Covenants Bind Successors and Assigns.** All the covenants, stipulations, promises and agreements in this Promissory Note contained by or on behalf of the Borrower shall bind its successors and assigns, whether so expressed or not.

14 **Governing Law.** THIS PROMISSORY NOTE SHALL BE GOVERNED BY, CONSTRUED IN ACCORDANCE WITH, AND ENFORCED UNDER, THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO AGREEMENTS OR INSTRUMENTS ENTERED INTO AND PERFORMED ENTIRELY WITHIN SUCH STATE.

15 **Severability.** If any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired, unless the provisions held invalid, illegal or unenforceable shall substantially impair the benefits of the remaining provisions hereof.

16 **Headings.** The headings in this Promissory Note are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

17 **No Oral Agreements.** THIS WRITTEN PROMISSORY NOTE REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

[Signature page follows.]

IN WITNESS WHEREOF, the Borrower has executed this Promissory Note as of the date first written above.

At or prior to the Closing, Seller shall deliver to Buyer the following: (i) a bill of sale and assignment agreement substantially in the form attached hereto as **Exhibit C** (the "**Bill of Sale and Assignment Agreement**"), duly executed by the Seller, effecting the transfer and assignment to the Buyer of the Purchased Accounts; (ii) LPG's written approval of assignment and acceptance of payment terms; and (iii) such other customary instruments of transfer, filings, or documents, in form and substance reasonably satisfactory to the Buyer, as may be required to give effect to this Agreement.

Section 6.6 Indemnification Procedures.

(a) Promptly following receipt by an Indemnified Party of notice by a Third Party (including any Governmental Body) of any complaint, dispute, or claim or the commencement of any audit, investigation, Action or proceeding with respect to which such Indemnified Party may be entitled to indemnification pursuant hereto (a “**Third-Party Claim**”), such Indemnified Party shall provide written notice thereof to the Indemnifying Party, provided, however, that the failure to so notify the Indemnifying Party shall relieve the Indemnifying Party from Liability hereunder with respect to such Third-Party Claim only if, and only to the extent that, such failure to so notify the Indemnifying Party results in the forfeiture by the Indemnifying Party of rights and defenses otherwise available to the Indemnifying Party with respect to such Third-Party Claim. The Indemnifying Party shall have the right, upon written notice delivered to the Indemnified Party within twenty days thereafter assuming full responsibility for any Losses resulting from such Third-Party Claim, to assume the defense of such Third-Party Claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel; provided, however, if the Indemnifying Party declines or fails to assume the defense of such Third-Party Claim on the terms provided above or to employ counsel reasonably satisfactory to the Indemnified Party, in either case within such twenty day period, then any Losses shall include the reasonable fees and disbursements of counsel for the Indemnified Party as incurred. In any Third-Party Claim for which indemnification is being sought hereunder the Indemnified Party or the Indemnifying Party, whichever is not assuming the defense of such Third-Party Claim, shall have the right to participate in such matter and to retain its own counsel at such Party’s own expense. The Indemnifying Party or the Indemnified Party (as the case may be) shall at all times use reasonable efforts to keep the Indemnifying Party or Indemnified Party (as the case may be) reasonably apprised of the status of the defense of any matter, the defense of which it is maintaining, and to cooperate in good faith with each other with respect to the defense of any such matter.

(b) No Indemnified Party may settle or compromise any Third-Party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder without the

prior written consent of the Indemnifying Party (which may not be unreasonably withheld or delayed), unless (i) the Indemnifying Party fails to assume and maintain the defense of such Third-Party Claim or (ii) such settlement, compromise, or consent includes an unconditional release of the Indemnifying Party and its officers, directors, employees and Affiliates from all Liability arising out of, or related to, such Third-Party Claim. An Indemnifying Party may not, without the prior written consent of the Indemnified Party, settle or compromise any Third-Party Claim or consent to the entry of any judgment with respect to which indemnification is being sought hereunder unless such settlement, compromise, or consent (A) includes an unconditional release of the Indemnified Party, and its Affiliates, and its and their shareholders, members, directors, managers, officers, employees, and agents from all Liability arising out of, or related to, such Third-Party Claim, (B) does not contain any admission or statement suggesting any wrongdoing or Liability on behalf of the Indemnified Party, and (C) does not contain any equitable order, judgment, or term that in any manner affects, restrains, or interferes with the business of the Indemnified Party or any of the Indemnified Party's Affiliates.

(c) If an Indemnified Party claims a right to payment pursuant hereto with respect to any matter not involving a Third-Party Claim (a "**Direct Claim**"), such Indemnified Party shall send written notice of such claim to the appropriate Indemnifying Party (each, a "**Notice of Claim**"). Such Notice of Claim shall specify the basis for such Direct Claim. The failure by any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party from any Liability that it may have to such Indemnified Party with respect to any Direct Claim made pursuant to this Section 6.6(c). If the Indemnifying Party does not notify the Indemnified Party within thirty days following its receipt of such Notice of Claim that the Indemnifying Party disputes its Liability to the Indemnified Party under this Article 6 or the amount thereof, the Direct Claim specified by the Indemnified Party in such Notice of Claim shall be conclusively deemed a Liability of the Indemnifying Party under this Article 6, and the Indemnifying Party shall pay the amount of such Liability to the Indemnified Party on demand or, in the case of any Notice of Claim in which the amount of the Direct Claim (or any portion of the Direct Claim) is estimated, on such later date when the amount of such Direct Claim (or such portion of such Direct Claim) becomes finally determined. In the event that the Indemnifying Party has timely disputed its Liability with respect to such Direct Claim as provided above, as promptly as possible, such Indemnified Party and the appropriate Indemnifying Party shall establish the merits and amount of such Direct Claim (by mutual agreement, litigation, arbitration or otherwise) and, within five business days following the final determination of the merits and amount of such Direct Claim, the Indemnifying Party shall pay to the Indemnified Party an amount equal to such Direct Claim as determined hereunder.

## ARTICLE 7. MISCELLANEOUS

Section 7.2 Waivers. The rights and remedies of the Parties to this Agreement are cumulative and not alternative. To the maximum extent permitted by applicable Law: (a) no claim or right arising out of this Agreement or the documents referred to in this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Parties; (b) no waiver that may be given by a Party will be applicable except in the specific instance for which it is given; and (c) no notice to, or demand on, one Party will be deemed to be a waiver of any obligation of

such Party or of the right of the Party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the Transaction Agreements.

Section 7.3 Notices. All notices and other communications required or permitted hereunder shall be made to the address of a Party listed on the signature page to this Agreement and shall be (a) in writing, (b) effective when given, and (c), in any event, deemed to be given upon receipt or, if earlier: (i) upon delivery, if delivered by hand; (ii) two business days after deposit with FedEx Express or similar recognized international overnight courier service, freight prepaid; or (iii) one business day after electronic mail transmission. A Party may change the address to which notices, requests, demands, claims, and other communications hereunder are to be delivered by giving the other Parties advance written notice pursuant to the provisions above.

Section 7.4 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the Parties named herein and their respective successors and permitted assigns. Neither this Agreement nor any rights or obligations of a Party hereunder shall be assigned by a Party (unless to an Affiliate of such Party) without the prior written consent of the other Parties. This Agreement will be binding upon any permitted assignee of any Party. No assignment shall have the effect of relieving any Party to this Agreement of any of its obligations hereunder.

Section 7.5 No Other Representations and Warranties. Except for the representations and warranties contained in this Agreement, no other express or implied representation or warranty, either written or oral, has been made by any Party or other Person in connection with the transactions contemplated by this Agreement.

Section 7.6 Public Disclosure. Except as may be required by Law, the Seller shall not issue any statement or communication to any Third Party (other than its respective agents) regarding the subject matter of this Agreement or the transactions contemplated hereby, including, if applicable, the termination of this Agreement and the reasons therefor, without the prior written consent of the Buyer.

Section 7.7 Expenses and Fees. Whether or not the Closing occurs, all fees and expenses incurred in connection with this transactions contemplated by this Agreement, including all legal, accounting, financial advisory, consulting and all other fees and expenses of Third Parties incurred by a Party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective Party incurring such fees and expenses.

Section 7.8 Remedies. No remedy herein conferred is intended to be exclusive of any other remedy. The rights and remedies of the Parties under this Agreement are cumulative, and either Party may enforce any of its rights or remedies under this Agreement without prejudice to its other remedies under this Agreement or other rights and remedies available at law or in equity.

Section 7.9 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy to which they are entitled hereunder, at Law or in equity.

Section 7.10 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, electronic mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

Section 7.11 Governing Law; Venue. This Agreement shall, in all respects, be construed in accordance with, and governed by, the Laws of the State of California without regard to conflict of Laws principles. Any action or proceeding brought by either Party against the other Party arising out of or related to this Agreement shall be brought exclusively in a state or federal court of competent jurisdiction located in Los Angeles County, California. To the extent permitted by applicable law, the Parties expressly and irrevocably waive any right to trial by jury.

Section 7.12 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 7.13 Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

# Exhibit 4

IN THE SUPREME COURT OF THE STATE OF NEVADA

IN THE MATTER OF DISCIPLINE OF  
TONY DIAB, BAR NO. 12954.

No. 77318

**FILED**

JAN 14 2019

CLERK  
BY *[Signature]*  
CHIEF

**ORDER OF DISBARMENT**

This is an automatic review of a Southern Nevada Disciplinary Board hearing panel's recommendation that attorney Tony Diab be disbarred based on violations of RPC 1.3 (diligence), RPC 1.4 (communication), RPC 3.4 (fairness to opposing party or counsel), and RPC 8.4(c) (misconduct). Because no briefs have been filed, this matter stands submitted for decision based on the record. SCR 105(3)(b).

The State Bar has the burden of showing by clear and convincing evidence that Diab committed the violations charged. *In re Discipline of Drakulich*, 111 Nev. 1556, 1566, 908 P.2d 709, 715 (1995). Here, however, the charges alleged in the complaint are deemed admitted because Diab withdrew his answer and requested a default be entered against him, resulting in the panel entering a default. SCR 105(2).

The record therefore establishes that Diab violated the above-referenced rules. He redirected a \$375,000 settlement payment, which was to be deposited directly into a client's account, and had it deposited into his own personal bank account. When the client inquired about the settlement payment, Diab falsely asserted that he was negotiating the deposit with the opposing party and went as far as to provide the client with a fraudulent email from opposing counsel contesting the payment. After, the client called

the opposing party and learned that the payment was made to Diab directly, Diab promised to repay the client but only if the client signed an agreement releasing any claims the client may have against Diab. Needing the funds, the client signed the agreement without having another attorney review it, but the client did not understand that the agreement allowed Diab to keep \$372,000 of the \$375,000 payment. Once the client retained outside counsel to sue Diab, Diab forged a retainer agreement, which he alleged was signed by the client in person on December 2, 2016, and that provided that Diab could retain the \$375,000 as attorney fees. The client, however, provided travel receipts demonstrating that he could not have signed the agreement in person on that day because he was not in California, as alleged by Diab. Diab's former employer eventually settled the matter with the client, agreeing to pay the client \$375,000, plus the attorney fees and costs the client incurred in recovering that amount.

Additionally, Diab represented the same client's brother in a criminal matter, in which Diab told to the client and his brother that he had successfully had a warrant for the brother's arrest quashed. Diab even provided the brothers an order quashing the arrest warrant. Diab, however, never made an appearance in the criminal matter or filed anything on behalf of the brother in the matter and the arrest warrant was still pending. The order Diab gave the client and his brother was fraudulent: it was from a different court than the one to which the brother's matter was assigned and included a forged signature of a judge.

Turning to the appropriate discipline, we review the hearing panel's recommendation de novo. SCR 105(3)(b). Although, we "must . . . exercise independent judgment," the panel's recommendation is persuasive. *In re Discipline of Schaefer*, 117 Nev. 496, 515, 25 P.3d 191, 204 (2001). In

determining the appropriate discipline, we weigh four factors: “the duty violated, the lawyer’s mental state, the potential or actual injury caused by the lawyer’s misconduct, and the existence of aggravating or mitigating factors.” *In re Discipline of Lerner*, 124 Nev. 1232, 1246, 197 P.3d 1067, 1077 (2008).

Diab knowingly violated duties to his clients (diligence, communication), the public (failure to maintain personal integrity), and the profession (misconduct). Diab’s misconduct injured his clients. Specifically, his client had to retain new counsel to recover the settlement funds and he was deprived of those funds for a period of time preventing him from expanding his business and resulting in a loss of business opportunities. Diab’s misconduct also injured the integrity of the profession. The baseline sanction for Diab’s misconduct before considering aggravating and mitigating circumstances is disbarment. *See Standards for Imposing Lawyer Sanctions, Compendium of Professional Responsibility Rules and Standards*, Standard 5.11 (Am. Bar Ass’n 2017) (providing that disbarment is appropriate if an attorney “engages in serious criminal conduct, a necessary element of which includes . . . misrepresentation, fraud, . . . misappropriation, or theft” or “engages in any other intentional conduct involving dishonesty, fraud, deceit, or misrepresentation that seriously adversely reflects on the lawyer’s fitness to practice”).

The record supports the hearing panel’s findings of three aggravating circumstances (dishonest or selfish motive, pattern of misconduct, and multiple offenses) and one mitigating circumstance (absence of prior disciplinary record). We agree with the panel that the single mitigating circumstance does not warrant discipline less than disbarment, particularly considering the aggravating circumstances.

Further, because Diab's misconduct was extreme and he went to great lengths to cover up his initial acts of misconduct, including fraudulently creating an email, a retainer agreement, and a district court order, disbarment is appropriate.

Accordingly, we disbar attorney Tony Diab from the practice of law in Nevada. Such disbarment is irrevocable. SCR 102(1). Diab shall pay the costs of the disciplinary proceedings, including \$3,000 under SCR 120, within 30 days from the date of this order. Further, to the extent Diab's actions have not been reported to law enforcement, we direct the State Bar to refer this matter to the appropriate law enforcement agencies. The parties shall comply with SCR 115 and SCR 121.1.

It is so ORDERED.

**DECLARATION OF DAVE ZOOK IN  
SUPPORT OF JOINDER BY RELATED  
CASE PLAINTIFFS TO VALIDATION  
PARTNERS LLC’S MOTION TO  
APPOINT RECEIVER**

Date: February 10, 2023  
Time: 10:00 a.m.  
Dept: CX-105

**DECLARATION OF DAVE ZOOK**

I, DAVE ZOOK, say and declare as follows:

1. I am over 18 years of age and am the principal and manager of DEBT VALIDATION FUND II, LLC (hereinafter “DVF”), who is a Plaintiff in Related Case No. 30-2023-01303355-CU-CO-CXC, entitled *Debt Validation Fund II, LLC, et al. v. The Litigation Practice Group PC, et al.*

2. I have personal knowledge of the matters set forth herein. If called as a witness in this action, I could competently testify to the truth of the following matters from my own personal knowledge.

3. Over the course of approximately two years, DVF purchased \$42,000,000.00 worth of receivables from Validation Partners LLC that would pay an aggregate return of \$56,700,000.00 (\$42 million principal and \$14.7 million in profit). As of August 10, 2022, DVF had received \$11,520,000.00 in distribution payments.

4. In or around July and August, 2022, THE LITIGATION PRACTICE GROUP PC (hereinafter “LPG”), through its agent Tony Diab, negotiated with me and Ryan McKenna to purchase DVF’s and MC DVI FUND 1, LLC and MC DVI FUND 2, LLC’s (hereinafter collectively referred to as “MC DVI”) receivables in exchange for a greater rate of return through a Note Exchange and Restructuring Agreement. In consideration for DVF and MC DVI assigning their rights to receivables to LPG, LPG agreed to enter into Secured Promissory Notes which granted both DVF and MC DVI a guaranteed monthly amortized schedule of payments.

5. On September 1, 2022, on behalf of DVF, I entered into a Note Exchange and Restructuring Agreement with LPG. Attached to the Compendium of Exhibits as **Exhibit 2** is a true and correct copy of Note Exchange and Restructuring Agreement. Attached to **Exhibit 2**, marked as Exhibit “B”, is a true and correct copy of the Secured Promissory Note that DVF entered into with LPG.

6. As part of the Secured Promissory Note, LPG agreed to pay DVF 80% of any net profits LPG earned on the first day of the following calendar month (see ¶ 1). LPG also granted to DVF a security interest in all of LPG’s right, title and interest in and to all assets of LPG (see ¶ 3). The Secured Promissory Note required LPG to promptly furnish to DVF financial information and

1 statements, including monthly financial statements listing assets and liabilities, ageing of receivables  
2 and payables, inventory schedules, budgets, forecasts, tax returns, and other reports with respect to  
3 LPG's financial condition as requested by DVF (see ¶ 10).

4 7. Under the terms of Secured Promissory Note, DVF would receive a total of  
5 \$66,372,815.44 in payments, to be paid in monthly increments beginning on August 31, 2022, and  
6 continuing thereafter on the last day of each calendar month, until paid in full no later than  
7 September 26, 2024. LPG committed to making monthly payments that ranged from a low of  
8 \$1,181,172 to a high of \$3,634,337 over the course of the two-year amortized schedule. LPG has  
9 never made timely, or full, monthly payments to DVF. DVF should have received approximately \$8  
10 million from LPG by January 1, 2023, and approximately another \$2.3 million by February 1, 2023.  
11 However, from September 1, 2022 to the date of this Declaration, LPG has only paid DVF  
12 \$987,326.00 in monthly payments, which is short by \$9,279,789.87 of the restructured payments due  
13 under Schedule A of the Note. The last payment received by DVF from LPG was on November 15,  
14 2022.

15 8. I requested in November 2022, pursuant to paragraph 10 of the Secured Promissory  
16 Note, that LPG provide financial information, monthly bank statements (including LPG's IOLTA  
17 client trust account) and financial statements, but LPG has continually failed and refused to do so.

18 9. I requested in or around November and December 2022, that LPG make further  
19 payments to DVF pursuant to the terms of the Secured Promissory Note. Tony Diab responded to  
20 me by saying LPG would not make any further monthly installment payments to DVF under the  
21 terms of the Secured Promissory Note unless and until I retracted my declaration supporting a  
22 receiver being appointed by Court in the above-referenced case.

23 10. Based on the issues described herein, and detailed in the Complaint in the Related  
24 Case 30-2023-01303355-CU-CO-CXC, entitled *Debt Validation Fund II, LLC, et al. v. The*  
25 *Litigation Practice Group PC, et al.*, I hereby reiterate my support for a receiver being appointed by  
26 the Court in this action. I respectfully request the Court appoint Validation Partner's proposed  
27 receiver, Byron Z. Moldo, as Receiver over LPG.

**DECLARATION OF RYAN MCKENNA  
IN SUPPORT OF JOINDER BY

VALIDATION PARTNERS LLC'S  
MOTION TO APPOINT RECEIVER**

Date: February 10, 2023  
Time: 10:00 a.m.  
Dept: CX-105

**DECLARATION OF RYAN MCKENNA**

I, RYAN MCKENNA, say and declare as follows:

1. I am over 18 years of age and am the principal and manager of Plaintiffs MC DVI FUND 1, LLC and MC DVI FUND 2, LLC (collectively hereinafter referred to as “MC DVI”), both of which are Plaintiffs in Related Case No. 30-2023-01303355-CU-CO-CXC, entitled *Debt Validation Fund II, LLC, et al. v. The Litigation Practice Group PC, et al.*

2. I have personal knowledge of the matters set forth herein. If called as a witness in this action, I could competently testify to the truth of the following matters from my own personal knowledge.

3. Over the course of approximately two years, MC DVI purchased \$25,794,600.00 worth of receivables from Validation Partners LLC that would pay an aggregate return of \$34,822,710.00 (\$25.8 million principal and \$9 million in profit). As of August 10, 2022, MC DVI had received \$9,374,850.00 in distribution payments.

4. In or around July and August, 2022, THE LITIGATION PRACTICE GROUP PC (hereinafter “LPG”), through its agent Tony Diab, negotiated with me and Dave Zook to purchase MC DVI’s and DEBT VALIDATION FUND II, LLC’s (hereinafter “DVF”) receivables in exchange for a greater rate of return through a Note Exchange and Restructuring Agreement. In consideration for MC DVI and DVF assigning their rights to receivables to LPG, LPG agreed to enter into Secured Promissory Notes which granted both MC DVI and DVF a guaranteed monthly amortized schedule of payments.

5. On September 1, 2022, on behalf of MC DVI, I entered into a Note Exchange and Restructuring Agreement with LPG. Attached to the Compendium of Exhibits as **Exhibit 3** is a true and correct copy of Note Exchange and Restructuring Agreement. Attached to **Exhibit 3**, marked as Exhibit “B”, is a true and correct copy of the Secured Promissory Note that MC DVI entered into with LPG.

6. As part of the Secured Promissory Note, LPG agreed to pay MC DVI 80% of any net profits LPG earned on the first day of the following calendar month (see ¶ 1). LPG also granted to MC DVI a security interest in all of LPG’s right, title and interest in and to all assets of LPG (see ¶

1 3). The Secured Promissory Note required LPG to promptly furnish to MC DVI financial  
2 information and statements, including monthly financial statements listing assets and liabilities,  
3 ageing of receivables and payables, inventory schedules, budgets, forecasts, tax returns, and other  
4 reports with respect to LPG's financial condition as requested by MC DVI (see ¶ 10).

5 7. Under the terms of Secured Promissory Note, MC DVI would receive a total of  
6 \$46,759,668.84 in payments, to be paid in monthly increments beginning on August 31, 2022, and  
7 continuing thereafter on the last day of each calendar month, until paid in full no later than  
8 September 26, 2024. LPG committed to making monthly payments that ranged from a low of  
9 \$665,301 to a high of \$2,047,081 over the course of the two-year amortized schedule. LPG has  
10 never made timely, or full, monthly payments to MC DVI. MC DVI should have received  
11 approximately \$4.5 million from LPG by January 1, 2023, and approximately another \$1.3 million  
12 by February 1, 2023. However, from September 1, 2022 to the date of this Declaration, LPG has  
13 only paid MC DVI \$574,163.20 in monthly payments, which is short by \$5,208,840.96 of the  
14 restructured payments due under Schedule A of the Note. The last payment received by MC DVI  
15 from LPG was on November 18, 2022.

16 8. I requested in November 2022, pursuant to paragraph 10 of the Secured Promissory  
17 Note, that LPG provide financial information, monthly bank statements (including LPG's IOLTA  
18 client trust account) and financial statements, but LPG has continually failed and refused to do so.  
19 When I made the demand, Tony Diab of LPG responded to me by saying the funds in the IOLTA  
20 client trust account are "Tony's money".

21 9. I requested in or around November and December 2022, that LPG make further  
22 payments to MC DVI pursuant to the terms of the Secured Promissory Note. Tony Diab responded  
23 to me by saying LPG would not make any further monthly installment payments to MC DVI under  
24 the terms of the Secured Promissory Note unless and until I retracted my declaration supporting a  
25 receiver being appointed by Court in the above-referenced case.

26 10. Based on the issues described herein, and detailed in the Complaint in the Related  
27 Case 30-2023-01303355-CU-CO-CXC, entitled *Debt Validation Fund II, LLC, et al. v. The*  
28 *Litigation Practice Group PC, et al.*, I hereby reiterate my support for a receiver being appointed by

1 the Court in this action. I respectfully request the Court appoint Validation Partner's proposed  
2 receiver, Byron Z. Moldo, as Receiver over LPG.

3  
4 I declare under penalty of perjury under the laws of the state of California that the foregoing  
5 is true and correct, and that this declaration is executed on January 25, 2023 at Chicago, Illinois.

# Exhibit 7

**DECLARATION OF DARIUS NEWBOLD**

I, Darius Newbold, declare and state:

1. I make this declaration of my own personal knowledge, and if called to testify in Court on these matters, I could do so competently.

2. I submit this declaration in support of Plaintiff's Motion to Appoint Receiver and for Preliminary Injunction.

3. On January 10, 2022, I became the controller of Validation Partners LLC and a related sister entity, Morning Financial. I graduated from SUNY Oneonta with a degree in Accounting. I worked for twelve years as the Assistant Director of Finance for The Arc of Delaware County, a Medicaid funded non-profit, that has gross revenue of between \$12-14 million annually. Due to the nature of Medicaid funding the accounting process was highly regimented and audited annually by Marks Paneth, a large NYC-based accounting firm. I also built up an employee leasing company from 30 to 40 clients to a \$50,000,000 gross annual revenue operation over the course of two years.

**Matters Learned During My Initial Audit of Litigation Practice Group**

4. On May 5, 2022, Wes Thomas was fired as Chief Financial Officer of Litigation Practice Group ("LPG"). Shortly thereafter, Tony Diab on behalf of LPG advised Validation Partners that LPG's financial affairs were not in order. Russ Squires, CEO of Validation Partners offered Diab assistance, which he accepted. Thus, on May 31, 2022, I traveled to LPG's headquarters in Tustin, California and spent two days in their offices auditing their financial information. Thereafter, and continuing through the first week of July, I continued auditing their process remotely as all their software was/is cloud-based. Diab instructed LPG Controller Alex Tarkoff, the acting leader of the LPG finance team, to provide me with access to all of LPG's financial information, which was stored in the following primary systems: (1) QuickBooks Desktop for historical records to LPG and Coast Processing; (2) NetSuite for current LPG accounting records and

*McLachlan Law, APC*  
2447 Pacific Coast Highway, Suite 100  
Hermosa Beach, CA 90254

processes; (3) AirTable, a cloud-based tracking system which manages marketing affiliate to investor file purchases, client refunds, client settlements, and project mapping; (4) Debt Pay Pro, a cloud-based system designed primarily for debt resolution work in which, among other data, LPG maintains details of payments from clients, as well as payments to outside partners such as Validation Partners and marketing affiliates, such as Morning Financial; (5) LPG's Microsoft SharePoint shared folder containing accounting records; (6) LPG e-mail controller@lpglaw.com; (7) LPG's JP Morgan Chase account for both online banking and online credit card review; (8) PayChex (Payroll Software); and (9) direct access to EPPS, Equipay, and Authorize.net payment processor websites.

5. I continued to analyze and assess LPG's finances and accounting systems through July 11, 2022, when I was abruptly blocked from accessing NetSuite, online access to the Chase bank account, the Chase Credit Card, and LPG's AirTable system. My access to LPG's Microsoft SharePoint shared drive and the payment processor portals however have remained active to date. On or about August 22, 2022, my access to Debt Pay Pro was terminated. At no point was I told I could not continue accessing the SharePoint files or the payment processing websites. My most recent conversation with Diab was that he no longer wanted my input or interference with his ability to make decisions about cash flow and payment priorities but did still want my assistance with LPG's financial organization and fundamental accounting processes.

6. LPG had, and still maintains, two Interest on Lawyers' Trust Account ("IOLTA") accounts, one at Union Bank (Acct. No. \*\*\*\*\*4874) and one at Chase (Acct. No. \*\*\*\*\*3568). LPG has and still maintains four operating bank accounts, two at Chase (Account Nos. \*\*\*\*\*3158 and \*\*\*\*\*3133), one at Union Bank (Acct. No. \*\*\*\*\*4858), and one at Optimum Bank (Acct. No. \*\*\*\*\*6738).

7. Additionally, When I asked Tarkoff if this was indeed all the bank accounts for LPG, he informed me there were actually two more existing bank

1 accounts he was aware of but did not have access to. Both of those accounts are at  
2 Optimum Bank (Account Nos. \*\*\*\*0029 and \*\*\*\*\*6712).

3 8. During my time doing the audit work, it was very apparent that LPG  
4 was entirely controlled and managed by Diab. For essentially all my biggest  
5 questions about accounting and finance issues, I was advised to consult Diab  
6 directly, and did so almost daily. I never interfaced or reported to Daniel March,  
7 the managing shareholder of LPG. Indeed, I have never spoken to him. Every  
8 single large payment was processed with the approval of Diab, every daily small  
9 payment was sent to Diab through admin@LPGLaw.com and was approved by  
10 him utilizing a daily rollover sheet. Attached as **Exhibit 1** to Plaintiff's Appendix  
11 of Evidence ("Plaintiff's Appendix") is a true and correct copy of ten worksheets  
12 from the LPG Excel file titled "Accounts Payable Rollover Sheet – Approved by  
13 Admin" for the dates August 11, 15, 16, and 22, 2022; and September 6 and 8,  
14 2022; and October 3, 4, 7, 25, 2022.

15 9. What I learned during my time at LPG was that the practice of law  
16 was run by Diab through his assistant Han Trinh (referred to inside of LPG as  
17 "General Han") and a young lawyer named Jayde Trinh. In the office, Diab is not  
18 called by his given name, but rather by the name "Admin." When corresponding  
19 with him via e-mail, he uses the email address admin@LPGLaw.com. Attached to  
20 Plaintiff's Appendix as **Exhibit 2** is a true and correct copy of two e-mails: one  
21 sent by Tony to me on June 20, 2022 from tony@coastprocessing.com; and one  
22 of many Diab sent to me from admin@LPGLaw.com, this one dated June 23,  
23 2022, which contains the nearly identical text as the first e-mail (also included  
24 are screen shots of both with the email address in full). When speaking to senior  
25 employees and using Tony Diab's name I was told they didn't recognize that  
26 name and only knew him as Admin. Diab has a placard on his desk that reads "I  
27 don't work here." Upon speaking to Han Trinh regarding the cost of legal  
28 services per state she credited all her success to the legal mentorship she received

1 from Diab and said she couldn't do her job without his guidance. Additionally,  
2 Diab and Han Trinh shared a small office.

3 10. In my time formally auditing LPG, I learned that many millions of  
4 dollars were being diverted to third parties for which no credible explanation  
5 could be obtained. Diab referred to certain categories of monthly expenditures as  
6 "legacy costs," which Diab advised were in part costs incurred by Coast  
7 Processing in prior years.<sup>1</sup> I questioned Diab regarding numerous specific six-  
8 figure payments, including to Craig Hunter, his company Veritas (paid \$180,000  
9 between June July and August of 2022), Strategic Consulting Solutions (paid  
10 \$736,000 from June through September), United Partnerships (paid \$723,546  
11 from July through October). Diab advised that when these people demanded  
12 money, there was no choice but to pay, or "bad things would happen." The clear  
13 impression was that he and/or LPG were being extorted as to some of these  
14 larger payments. Attached to Plaintiff's Appendix as **Exhibit 3** is a true and  
15 correct copy of an e-mail string between Diab, myself, and LPG's internal  
16 accounting staff concerning Diab's instruction to write a check for an extortive  
17 payment involving threats of Diab's kneecaps being broken. Diab explained to  
18 me that LPG had many people that were extorting the firm for their connection to  
19 affiliates and he had no choice but to make payments as soon as funds were  
20 available.

21 11. As another example, LPG, as noted above, was paying Veritas large  
22 sums of money that, per Diab and Tarkoff, were settlement/severance/extortion"  
23 payments where if Diab refused to pay Craig Hunter would go to Daniel March  
24

---

25 <sup>1</sup> As noted in the Squires Declaration (at ¶ 12), LPG historically had a  
26 business partner called BAT Inc. d/b/a Coast Processing ("Coast Processing"),  
27 which was owned by Brian Reale, Arash Asante Bayrooti, and Tony Diab. Coast  
28 Processing was the primary entity through which LPG ran its marketing and  
client development operations. In the summer of 2021, Diab, through LPG,  
bought out his partners in Coast Processing and merged some of its functions  
into LPG.

1 and March would then beg Diab to process the payment to Hunter. Attached to  
2 Plaintiff's Appendix as **Exhibit 4** is a true and correct copy of an e-mail thread  
3 between Diab, myself, and Tarkoff discussing this matter.

4 12. Many of what Diab referred to as "legacy costs" were paid to  
5 affiliates, vendors, and individuals based on debts and liabilities accrued by Coast  
6 Processing prior to the merger with LPG. These were debts that were not legally  
7 owed by LPG, per Diab's own explanations, but he nevertheless chose to pay  
8 them. Attached to Plaintiff's Appendix as **Exhibit 5** is a true and correct copy of  
9 a summary I prepared from LPG's bank statements and accounting documents  
10 which details these expenditures, setting forth various "legacy costs" and other  
11 large and unaccounted for transactions discovered during my audit of LPG.  
12 From June to October 2022, LPG paid \$1,812,538.46 in expenses which were  
13 "legacy costs" per Tony. During the same time period, there was an additional  
14 \$16,121,957.05 in highly questionable payments that, in my professional opinion,  
15 are not properly backed by invoices, contracts, or agreements. The majority of  
16 vendors do not have W-9s on file and are paid at Diab's discretion, according to  
17 LPG's written accounting documentation.

18 13. Nearly all larger payments for which I was unable to determine the  
19 purpose were authorized directly by Diab (as noted in the Accounts Payable  
20 Rollover Sheet). The highlighted items on **Exhibit 5** are either not legitimate  
21 operating costs or could not be verified, i.e., were lacking in any back-up in LPG's  
22 records.

23 14. During calendar year 2022 there were 66 checks noted in the LPG  
24 checking system as "handwritten by Tony" totaling \$1,324,583.67. I was told by  
25 both Diab and Tarkoff, that Diab would often handwrite checks to angry vendors  
26 for non-business reasons to cover "legacy costs," which, by their own admission,  
27 amounted to payoffs for services outside of written agreements and without  
28 consistent processes.

1           15. To my knowledge, the only signatory on the LPG accounts was  
2 Daniel March as of my time working with LPG. I was never informed of Daniel  
3 March signing any checks himself. The checks were always written by Diab,  
4 although I was told Diab was not a signatory on any of LPG's bank accounts.

5                           **Tony Diab's Continued Involvement in LPG**

6           16. During my review of LPG's payroll, I discovered that Diab is not an  
7 employee of LPG. To the best of my knowledge based upon reviewing financial  
8 and payroll records dating back several years, Diab has never been an employee  
9 of LPG.

10           17. From my review of the data in LPG's SharePoint shared accounting  
11 files over the past two weeks, I continue to find numerous entries with notations  
12 like "approved by Admin." In my experience during my audit, all such notations  
13 to "Admin" refer directly to Diab. I know this because of numerous inquiries I  
14 made of LPG's accounting staff and information directly provided to me.  
15 Attached to Plaintiff's Appendix as **Exhibit 6** is a true and correct copy of some  
16 of those entries. For example, there was a reversal of multiple fees for Equity  
17 Finance deals that LPG stopped making in early September totaling \$89,739.47,  
18 the associated note on the LPG SharePoint checking document references "per  
19 Admin."

20           18. As of October, there are still multiple references in the current  
21 accounts payable rollover sheet referring to "approved by admin" or  
22 "pay per admin". The accounts payable rollover sheet is how LPG logs their  
23 outstanding accounts payable items outside their core accounting software.  
24 During my audit, I learned that this sheet is sent to and approved by Diab on a  
25 daily basis. The rollover sheet as of November 1, 2022 is attached to Plaintiff's  
26 Appendix as **Exhibit 1** (references to Admin, aka Diab, approvals are  
27 highlighted).

28

**Continuing Misdirection of Funds to Date**

19. I have continued to periodically review LPG's finances through its SharePoint shared folder and have downloaded bank statements as they have become available. In this section, I summarize some of the more concerning financial developments in recent months: (1) the blatant misappropriation of monies that should be paid to LPG's creditors; (2) the continued purchase of new files from affiliates who previously sold their accounts receivable to Validation Partners; (3) the sale of files to new third parties without corresponding income being shown on any of LPG's bank statements; and (4) the sizeable drop in receivables during October 2022.

20. On September 2, 2022, LPG received a wire transfer from Sunflower Bank in the amount of \$6,244,811.78. From prior banking transactions, this money is believed to be associated with the World Global processing dispute, as discussed in more detail within Russ Squires' declaration. On September 8, 2022, check number 216 in the amount of \$5,814,146.45 cleared this trust account. LPG's Microsoft SharePoint Excel spreadsheet entry for this check states it was made payable to "Arash Asante Bayrooti." There is no record of the purpose of this payment in LPG's accounting system. Attached to Plaintiff's Appendix as **Exhibit 7** and **Exhibit 8** are true and correct copies of the LPG's Union Bank IOLTA account statement for July, August, and September of 2022 (partially redacted) as well as the Microsoft SharePoint LPG checking entry for check no. 216. To date, I find no evidence that any of this money has returned to any of the known LPG owned bank accounts.

21. On July 18, 2022, LPG received two separate wire transfers for \$1,000,000 each into their IOLTA account. One was from MUFG Bank, LTD and the second from Optimum Bank. The LPG checking sheet clearly notes one of the transactions as "Optimum Bank Disputes – Client Payments." This means it is

1 almost certainly money relating to the World Global dispute. The other  
2 transaction is noted as “Pastor Delphine Esther Valentine.”

3 22. One of my larger concerns discovered during my audit was that LPG  
4 was spending large sums of money buying assets for LPG, rather than paying  
5 monies owed to Validation Partners. Specifically, LPG was purchasing new client  
6 files from marketing affiliates such as GoFi, who had previously sold their  
7 accounts receivables to Validation Partners. Those expenditures have grown over  
8 time; they totaled a combined \$3,589,427.55 during September and October  
9 2022. Attached to Plaintiff’s Appendix as **Exhibit 9** is a true and correct copy  
10 showing a summary of payments made from LPG’s Chase Accounts 3158 and  
11 3133 for file purchases.

12 23. In the months of July through October 2022, LPG spent no less than  
13 \$6,195,101.84 purchasing new client accounts from marketing affiliates.  
14 Attached to Plaintiff’s Appendix as **Exhibit 10** is a true and correct copy showing  
15 a summary of those purchases which I prepared from data obtained from LPG’s  
16 daily cash tracking sheet which LPG continues to use to track and reconcile all  
17 their payments. I have periodically checked these amounts against the bank  
18 statements for each account and have found a high level of accuracy pending  
19 their full bank reconciliation which is completed at the end of each month.

20 24. In September and October 2022, I find other substantial departures  
21 from LPG’s standard practices. For example, LPG received \$752,200 in deposits  
22 labeled “cash in/cash received” and an additional \$232,212.68 in deposits labeled  
23 “Remote Deposit – Client Check Payment.” LPG historically processes electronic  
24 check payments through the third-party processor, Seamless Checks. Typically  
25 processing in the range of between \$50,000 to \$60,000 per month. These cash  
26 payments appear to be Diab pulling money from non-LPG bank accounts to cover  
27 payments through LPG that he believes are important. This activity is highly  
28 unusual and not consistent with LPG’s historic financial practices.

26. During September and October 2022, LPG sold client account receivables to third parties totaling upwards of \$3,402,088. This is derived from bank deposits that are not from payment processors and in most cases noted as file (new client account) purchases. I am unable to find any corresponding income growth to LPG from these file purchases. Attached to Plaintiff's Appendix as **Exhibit 12** is a true and correct copy of a summary of account sales which I prepared with data obtained from the LPG Checking report within the LPG accounting SharePoint shared folder.

27. Regarding the alleged accounts receivable purchases made by Teracel, as referred to in the Squires Declaration at paragraph 34, I have found no records of Teracel sending any monies to LPG to purchase accounts. However, Teracel was paid affiliate distributions of \$90,993.19 during the month of October 2022. Attached to Plaintiff's Appendix as **Exhibit 13** is a true and correct copy of the relevant portions of the LPG Excel accounting file "Sharepoint LPG Checking" for the LPG operating account at Chase Account (\*\*\*\*\*3133). According to LPG's accounting systems, Teracel is not a marketing affiliate producing debt validation accounts.

C

**Payment processing Issues**

29. Nearly all of LPG's income from clients comes by way of several payment processors. Payments are collected from the clients on a monthly basis via ACH, credit card or check, and these payment processing companies are used to collect the money.

30. LPG has used multiple payment processors in 2022. The primary payment processor in early 2022 was World Global. Due to an enormous crisis outlined in Squires declaration, World Global was transitioned out in April/May 2022.

31. Immediately upon beginning my audit I identified three major issues with World Global:

- a. LPG had no contract with World Global. The entire relationship was based on a "handshake agreement."
- b. I could not find any documentation about World Global. They did not have a website nor did LPG have any documentation that suggested World Global followed best practices for the industry, moreover actual payment processing regulations.
- c. Finally, World Global did not provide any regular reporting that could be validated in any way, nor did they provide access to any billing system, as normal payment processors do, which would allow the ability to see records of payments collected in real-time.

32. After the massive overbilling incident, World Global's payment volume was primarily replaced by the processor known as EPPS. While EPPS is a company I could identify, has a website which clearly references best practices and regulations, and provided regular reporting, again I learned there was no formal contract between LPG and EPPS. This was yet another example of a business relationship with a "handshake agreement", in this instance between Lance Witt, CEO of EPPS, and Diab.

33. EPPS began withholding larger volumes of funds and for longer periods of time beginning in June 2022. Since there was no contract in place and all negotiations regarding the release of funds were handled between Diab and Lance Witt from EPPS, I strongly recommended to Tarkoff that they shift the volume to Equipay/Maverick, another payment processor.

34. Equipay has a signed contract in place with LPG, a website and documentation available clearly stating best practices and regulations being followed, and they provide a robust reporting system where all payments collected can be reconciled monthly. Thus, starting in July, the largest volume of payment processing was shifted to Equipay.

35. From their bank statements, the following summarizes LPG's revenue stream from existing payment processors for the months of May through October:

- a. May 2022 \$8,471,673.39
- b. June 2022 \$8,71,673.39
- c. July 2022 \$8,774,982.62
- d. August 2022 \$11,204,694.07
- e. September 2022 \$10,298,578.66
- f. October 2022 \$6,182,763.99<sup>2</sup>

36. In 2022, LPG operating expenses have remained fairly consistent month to month. For example, the following summarizes LPG's largest expense, payroll during the same timeframe:

- a. May 2022 \$2,385,971.30
- b. June 2022 \$2,230,491.98
- c. July 2022 \$2,174,779.22
- d. August 2022 \$2,332,314.03

---

<sup>2</sup> As noted in paragraph 40 below, if Marich Bein is in fact a payment processor, then this number is higher.

e. September 2022 \$3,425,487.08 (3 Payrolls)

f. October 2022 \$2,416,952.98

37. Based upon LPG's historical affiliate production and conversations with Diab when creating LPG's budget framework, the expectation was a conservative growth path of \$500,000 gross revenue each month, as further explained in the Squires Declaration. Based upon July's \$11,204,694.07 gross income and historic revenue growth during 2022, the estimated gross revenue in October should have been \$13,000,000 using a conservative growth figure.

38. Although LPG's revenue has continued to grow during 2022 and its operating expenses remain steady, there is little to no cash accumulating in LPG even though it is not paying Validation Partners anything. The compensation for both the in-house and outsourced overseas call center teams along with employee compensation has remained rather consistent at about \$1,100,000 per bi-weekly payroll. Based on the amount of accounts LPG and other investors are purchasing through LPG the revenue should be increasing each month.

**Marich Bein: New Non-Contracted Payment Processor**

39. As stated above, Equipay was the primary payment processor for July, August, and September 2022 averaging over \$7,500,000 per month. In October 2022 that amount was drastically reduced to \$3,330,507.74. A true and correct copy showing a summary of cash received by LPG is attached to Plaintiff's Appendix as **Exhibit 14**.

40. Concerned with the massive reduction in revenue, I searched LPG's shared accounting files for any record of new payments that appear to be from a processor or for contracts that would have been signed with a new company. I did not find any contracts for anew payment processor in the locations where they are typically found, or anywhere else.

41. Russ Squires informed me he had documentation referencing a new payment processing company labelled as "other," but I could not find any

1 references to “other” on the bank statements. Rather, I found what are very  
2 unusual new deposits into LPG’s bank accounts, deposits which would seemingly  
3 coincide with a new payment processor, but the payments quite literally appeared  
4 to come from itself, “LPG.”

5 42. After a deep review of recent bank statements and other LPG  
6 financial documents, I believe a new company Marich Bein, LLC is likely  
7 processing payments for LPG.

8 43. Early in October of 2022, LPG received deposits as large as  
9 \$2,500,000 were received from Marich Bein. In October of 2022, LPG received  
10 combined deposits totaling \$5,011,824.17 from Marich Bein and from a company  
11 known as “LPG 949-226-6262.” After review, these deposits all came from the  
12 same bank account, which means they are the same company.

13 44. On October 21, 2022, daily deposits commenced from an account  
14 known as “9855785489 LPG 949-226-6262 #5 2363 RT 9 TOMS RIVER NJ  
15 0875”.

16 45. Based upon the existing accounting processes in place during my  
17 audit, if the LPG accounting team does not recognize a vendor they take the  
18 information from the online banking detail and include it in the LPG checking  
19 register, and as seen in Attached to Plaintiff’s Appendix as **Exhibit 15** is a true  
20 and correct copy of a summary of LPG accounting entries showing how the  
21 accounting team logged the transactions.

22 46. Based upon my review of the LPG checking register, I believe the  
23 LPG Accounting team does not recognize Marich Bein as a payment processor  
24 with an official contract.

25 47. This means LPG is now processing the vast majority of its client  
26 funds through two payment processors that do not have contracts: Marich Bein  
27 and EPPS. Based upon adverse events with processing earlier this year, if Marich  
28 Bein is another poorly regulated payment processor, possibly with a direct

1 connection to Diab, there is an increased likelihood of similar issues of erroneous  
2 and improper client charges as happened with World Global, outlined in the  
3 Squires Declaration. As the past has proven, this high-risk processing  
4 arrangement is not in the best interest of the clients, nor of LPG as a functional  
5 business. It exposes undue risks to clients for erroneous and improper charges,  
6 as well as risk to LPG for inconsistent cash flows due to excessive cash retention  
7 by these processors, the exodus of angry customers, potential lawsuits, and  
8 negative reviews.

9 48. Because World Global did not provide proper payment processing  
10 reports, the LPG accounting team would need to determine if certain clients paid  
11 using a combination of a process of elimination and “educated guesses.” Upon  
12 audit and review of the process the LPG accounting team lead by LPG Controller  
13 Alex Tarkoff, he could not assure me that client billing processes were accurate  
14 when billed through World Global. All other payment processors provided client  
15 by client documentation. I do not find anything in LPG’s SharePoint accounting  
16 shared folders with reporting from Marich Bein which outlines client billing.  
17 Again, this strongly implies clients could be billed incorrectly without LPG’s  
18 knowledge due to a poorly regulated payment processor.

19 49. Thus, in conclusion, from my detailed review of LPG’s recent  
20 accounting documentation and bank statements along with the significant details  
21 outlined in the Squires declaration, it appears that Diab has created another deal  
22 with a high-risk payment processor without any contract, as was the case with  
23 EPPS and World Global. When coupled with very limited reporting for the LPG  
24 accounting team and limited visibility for financial auditing from any outside  
25 agency, it is very likely they have an outside relationship with Diab.

26 **Misdirection of Funds Directly to Diab**

27 50. Based upon LPG’s QuickBooks records, Vulcan Consulting, a  
28 company owned by Diab, was paid \$2,600,000 in 2021. These payments

1 included the memo “legal service” or “client attorney fees.” Attached to Plaintiff’s  
2 Appendix as **Exhibit 16** is a true and correct copy of a summary of payment data  
3 to Diab and Vulcan, as well as two checks from LPG’s QuickBooks file showing  
4 the memo lines.

5 51. Additionally, during my time auditing LPG, it was brought to my  
6 attention directly by Diab that LPG paid many vendors for non-business  
7 functions. For example, Spot On Consulting was paid \$520,600 between August  
8 and October of 2022 for “consulting.” Based on my history with LPG this  
9 strongly implies there was no standard business function.

10 52. Strategic Consulting Services was paid \$736,000 between June and  
11 September of 2022. There are often notes in the LPG checking register as “paid  
12 per Admin,” aka Diab.

13 53. United Partnerships was paid \$723,546.69 between July and  
14 October of 2022. This is a marketing company that I have been told Tony Diab  
15 has an ownership interest in. Through direct conversations with Tony Diab,  
16 LPG’s marketing costs are minimal since the affiliates are responsible for client  
17 acquisition costs. Again, many of these line items are noted as “paid per Admin”,  
18 aka Diab, on the LPG checking sheet.

19 54. CFS Lead Generation was paid \$369,500 between September and  
20 October of 2022. Again, LPG does not as a typical course of business pay for  
21 large scale marketing costs.

22 55. Very recently, LPG started offering special equity financing deals for  
23 clients that met certain credit score criteria. This was processed through an  
24 affiliate of GoFi, another company Diab has an outside financial relationship  
25 with. (See Squires Decl., ¶ 88.) LPG would provide legal services for these  
26 accounts. When the payments were received by LPG the gross revenue was to be  
27 split 50/50 between LPG and GoFi. From January 2022 through August 2022  
28 this produced \$5,193,441.22 in gross revenue for LPG or an average of

1 \$324,590.08 per month through August.<sup>3</sup> (See **Exhibit 14** (Columns E & F.)  
2 This revenue stream was replaced per an e-mail dated September 16, 2022 from  
3 LPG’s affiliate coordinator, Dima Rafoul, to all affiliates stating all qualifying  
4 accounts will be transferred to “LPG Finance.” No corresponding revenue can be  
5 found on LPG’s bank statements since August 2022 through November 15, 2022.  
6 In sum, it is unclear where this money has gone, but it is not going to the known  
7 universe of LPG bank accounts.

8 56. In my professional opinion, based on my review of the data available,  
9 all money paid to companies that Diab is said to have an outside financial interest  
10 in, should have been paid to Validation Partners and the corresponding investor  
11 groups.

12 **Misdirection of Funds to Daniel March and Wes Thomas**

13 57. During my audit, I also learned that Daniel March receives an annual  
14 salary of \$600,000, paid \$23,076.92 bi-weekly, through their PayChex payroll  
15 system. March was promised an additional \$50,000 per month paid on invoice  
16 at Diab’s discretion as cash flow allowed. This, as explained to me by Diab, was  
17 for “renting” March’s law license.

18 58. Daniel March received additional income totaling \$131,500 from  
19 LPG between August 31, 2022 and October 7, 2022. The first payment was made  
20 the day after March was served by our counsel with the initial demand letter in  
21 this matter. Attached to Plaintiff’s Appendix as **Exhibit 18** is a true and correct  
22 copy of the relevant portions of the LPG Excel accounting file “Sharepoint LPG  
23 Checking” for the LPG operating account at Chase Account (\*\*\*\*\*3158), with the  
24 pertinent entries highlighted.

25  
26  
27 <sup>3</sup> Diab discussed this increasing revenue stream in a July 7, 2022 e-mail he  
28 sent to me, in the seventh paragraph (“as you know, GoFi is driving finance deals  
that *net* LPG \$400,000 in monthly revenue.”) Attached to Plaintiff’s Appendix as  
**Exhibit 17** is a true and correct copy of this e-mail.

1 associates, I should say. The only people I've been in  
2 contact for it are Wes, a couple meetings with Eng and  
3 then Chris Winslow, of course.

4 Q. Oh, Chris Winslow is still working with Wes?

5 A. Yes.

6 Q. And what entity are they working through? Is  
7 this Strat Cap or some other entity?

8 A. To my knowledge it's another entity. I believe  
9 Flight Form is the current one that Wes is supposedly  
10 paying Chris through.

11 Q. So they dropped this Clean Slate name?

12 A. Yes. The moment that Super Complex was done  
13 with Wes, Clean Slate and everything that had to do with  
14 it was out.

15 Q. How long has this entity Flight Form been in  
16 business?

17 A. From what I know, literally like this month.

18 Q. Oh. So it just started in January of 2023?

19 A. Correct.

20 Q. Do you know how long they've been working on  
21 setting it up?

22 A. To my knowledge it started in December at some  
23 point, then they had to sprint to get it up and running  
24 this month -- or last month. Excuse me.

25 Q. So we have Wes involved, Chris Winslow, Eng

1 Taing. Anyone else?

2 A. Well, Tony.

3 Q. And who told you that Tony's involved?

4 A. Wes.

5 Q. When did he tell you that?

6 A. In December.

7 Q. Was this in a telephone call or a text message  
8 or what?

9 A. That was a telephone call because Tony was the  
10 one who set the January 9th date.

11 Q. Wes told you that?

12 A. Yes.

13 Q. Do you have an understanding as to why January  
14 9 was a set date to start this new operation?

15 A. I have no idea why they picked that day.

16 Q. Why -- here's the -- let me strike that and  
17 rephrase this.

18 Why is Wes talking to you about it?

19 A. Well, Wes sees me as some kind of technical  
20 expert based on the work I've done at LPG, and from what  
21 I can tell, Eng does not have the hands-on experience  
22 with writing code or dev ops that I do. So apparently  
23 he was planning all this around me building out the  
24 cloud infrastructure.

25 Q. Dev ops is short for what?

1 A. Development operations. It's usually used as a  
2 term when something is in combination, like typical  
3 software engineering, but also having to connect that to  
4 other services like AWS and integrating it with things.  
5 You have to combine system administration with software  
6 engineering.

7 Q. AWS, that's Amazon Web Services?

8 A. That's correct.

9 Q. Hey, I got one right. That's all I'm going to  
10 get right today, but I got one. We'll take a break in  
11 just a second. I just want to finish a little bit with  
12 this line so I don't lose track on a couple questions I  
13 have in my mind.

14 So if I understand correctly, Wes was  
15 recruiting you to go work at Flight Form.

16 A. Yes. There were three entities, so -- and all  
17 of them would combine in some way to be, like, different  
18 parts of LPG.

19 Flight Form, from what I understand, is  
20 technically run by Eng, and I assume payroll and all  
21 decisions like that would go through him. That would be  
22 more of the business intelligence technical expertise.

23 Oakstone Law would be the legal part of LPG,  
24 obviously, and then Guardian Processing would be some  
25 combination of like customer service and some of the

1 more business administrative tasks of LPG.

2 Q. Sorry. What was Guardian supposed to do?

3 A. Business administrative tasks and customer  
4 service. Of course --

5 Q. Hold on. Was Guardian -- let me ask you this  
6 question: To your understanding, which of these  
7 entities would be doing the affiliate work, the  
8 marketing, getting of new customers?

9 A. Most of the things outside of the legal realm  
10 would be mixed and matched between Guardian Processing  
11 and Flight Form.

12 Q. And did you have an understanding as to who was  
13 going to be in charge of Oakstone Law?

14 A. Whoever the new Dan March was and Tony.

15 Q. But you do not know who that is?

16 A. No.

17 Q. Do you know, is Oakstone Law actually currently  
18 in business? Does it exist?

19 A. That I don't know. I know Guardian Processing  
20 and Flight Form are.

21 Q. And how do you know that?

22 A. Because Wes texted me that he had more than 30  
23 employees up and running and that I was making him look  
24 bad by not talking to him.

25 Q. Did he actually make you a formal job offer to

1 go work for Flight Form?

2 A. No. Of course not.

3 Q. But do I understand correctly that you decided  
4 you're not getting involved with this new venture?

5 A. That's correct.

6 Q. Why not?

7 A. The moment Wes said that Super Complex dropped  
8 out and that he was going back to Tony, I started to get  
9 increasingly suspicious. That in combination with the  
10 contract work with LPG in combination to him admitting  
11 that he'd had payments from Tony and now going back to  
12 Tony rubbed me the wrong way.

13 Then as this ramped up and Wes was talking  
14 about how much work that supposedly was, he was telling  
15 me I would have to leave paternity leave early to go and  
16 work for him. It was always about what he needed me to  
17 do and how much I should be thankful and I should be  
18 working with him, and it was never about pay, benefits  
19 or anything like that.

20 So beyond just how legally questionable  
21 everything sounded, I also did not want to start off at  
22 a place that was not in tune with my duties as a father.

23 So first few tasks ended up being, hey, here's  
24 a login to a CRM, can you look at it and tell me what's  
25 wrong with it. That was Eng. So I logged in, I gave

1 him some notes on what I thought of the CRM and its  
2 functionality. That's fine because that's not really  
3 anything besides my opinion on a piece of software.  
4 Then it became --

5 Q. Pause there. CRM, customer relations  
6 management software?

7 A. Correct.

8 Q. All right. Keep going.

9 A. So I sent a wall of texts to Eng about what I  
10 thought of the CRM I was supposed to log into. And then  
11 he supposedly met with Bianca, Tony's associate, about  
12 it, and then I never heard back about my notes, how that  
13 meeting went or anything. Just touch and go when they  
14 need something out of you.

15 And then after that, Wes texted me to make sure  
16 that some mass edit went through on DebtPayPro, moving a  
17 bunch of files to bank six, literally bank, b-a-n-k,  
18 six, no specific name for it or anything like that, and  
19 that was definitely the moment where I was done, because  
20 that sounded sketchy.

21 And Wes kept talking about ways in which --  
22 because I continued to ask him how -- if your plan is to  
23 go with Tony and this is all going to originate from  
24 LPG, how do you seriously plan on moving all these  
25 clients and their payment plans over? That doesn't make

1 sense.

2 And he kept making excuses and saying that  
3 there were ways that clients and their files and  
4 everything could be moved over. The book of business  
5 could move from LPG to another entity or entities and  
6 somehow have all the liability not follow. And when I  
7 asked him if that's true, no liability's going to follow  
8 when Tony comes along, he never had an answer for that.

9 Q. What's the time frame on all these discussions  
10 you just talked about?

11 A. These are late, late December and early  
12 January. And then the moment I got the text about bank  
13 six, I just stopped talking to Wes in all forms of  
14 communication.

15 Q. Okay. So let's elaborate a little bit on that.  
16 And that bank six, that was a text in January?

17 A. Yes.

18 Q. What was the specific context? What was he  
19 asking you to do?

20 A. I could look at the text again, but essentially  
21 make sure that a lot of files got moved to that bank in  
22 DebtPayPro.

23 In DebtPayPro you can do things like mass edits  
24 where you move many clients from, say, a purchase or a  
25 selling of files. So something like that, but for bank

1 December.

2 Q. Oh. And do you know why they did that?

3 A. I don't know why they did that.

4 Q. So you don't currently have DebtPayPro access?

5 A. No.

6 Q. Well, why is Wes asking you in January to log  
7 into DebtPayPro and do this work if you don't have  
8 access?

9 A. Because he probably forgot I told him that.

10 Q. I see. Okay. Now, in DebtPayPro are there  
11 fields for banks one through five?

12 A. Not to -- not to my recollection. For some  
13 fields there are placeholder values and there are  
14 like -- like let's say we want to test a client and its  
15 journey through all the tasks in DebtPayPro they've  
16 made, like dummy clients that they test just to make  
17 sure that the process works for real clients. But I  
18 don't know that there's a bank one through five as  
19 placeholder values, although they could exist.

20 Q. Then what's the purpose of adding this field to  
21 your understanding? In other words, why would you add a  
22 bank six field there and transfer customers to that?  
23 Can you elaborate on what that means?

24 A. It really does seem like they're hiding  
25 whatever bank six actually is in the real world and to

1 make it look like one of those dummy placeholder values  
2 that I'm saying and then transfer everything over to it  
3 for some reason.

4 As I said, that task specifically is what was  
5 my last straw. Like I was done and I'm not talking to  
6 him after that.

7 Q. All right. Now, so I want to understand this.  
8 In DebtPayPro -- well, this is what we're going to do.  
9 Before we get into this, we're going to take a little  
10 break. Because we've been going for an hour and 15  
11 minutes, I want to give the court reporter a timeout.  
12 You can go stretch your legs and do whatever. Is  
13 everyone here okay with a five-minute break?

14 (Break taken.)

15 BY MR. MCLACHLAN:

16 Q. So we are now back on the record. Mr. Akers,  
17 I'd like to go back over some of the stuff we just  
18 discussed in a little bit of detail more, and in terms  
19 of bank six let's step back a little bit.

20 I've never used DebtPayPro. I have seen some  
21 screen shots of various portions of it, and if I  
22 understand right, it's a customer relations software  
23 management system. And can you explain what it's used  
24 for at LPG?

25 A. DebtPayPro is the backbone to everything. A

1 Q. And all that information is recorded in  
2 DebtPayPro?

3 A. Yes.

4 Q. And going back to this bank six concept, I'm  
5 still a little unclear on that. Was it your  
6 understanding that what was being done there is a  
7 certain set of LPG's customers were being transferred in  
8 some fashion to a new ownership entity or some new  
9 banking entity? What is that about?

10 A. It was either of those, and the fact that the  
11 name was bank six and made to look like a placeholder or  
12 a dummy value made it all the more clear to me that it  
13 was something that I did not want to check up on even if  
14 I had access to DebtPayPro at the time.

15 Q. When you say dummy value, what do you mean?

16 A. Like a crash test dummy where you make up --  
17 like if I wanted to test one client and try to add tasks  
18 to their file or do various DebtPayPro functions on them  
19 after we add something, you could make like a John Smith  
20 test client and try them out. And then you can also do  
21 that for column values like affiliate, you know, like  
22 address, phone number and things of that nature and you  
23 could test out for like errors, like, you know, phone  
24 number of all zeros or things like that.

25 So when I say dummy or placeholder, they just

1 for other work but that it's not ideal.

2 Q. So describe for me again your understanding of  
3 the work that Flight Form is doing now with these 30  
4 some odd employees.

5 A. With how much Wes texted me after I stopped  
6 talking to him, it sounds like a lot of software  
7 engineering and dev ops work that I've been doing this  
8 whole time. So configuring cloud environments, building  
9 up automations, writing the code to digest CSVs and JSON  
10 files, things of that nature. So a lot of business and  
11 data work.

12 Q. I want to go back to this issue. If I  
13 understand correctly, sometime in December Wes told you  
14 that the plan that he had going with Tony was to  
15 essentially drain all the good client accounts out of  
16 LPG and then take them over to this new series of  
17 entities?

18 A. That's correct.

19 Q. And he told you in or about this time that  
20 Tony's plan was to scuttle LPG in favor of these new  
21 entities?

22 A. Yes.

23 Q. And this was an attempt to evade the financial  
24 obligations that LPG currently has.

25 A. Yes.

**PLAINTIFF’S VERIFIED ORIGINAL PETITION;  
 APPLICATION FOR TEMPORARY RESTRAINING ORDER;  
 AND APPLICATION FOR TEMPORARY AND PERMANENT RELIEF**

Plaintiff, OAKSTONE LAW GROUP, PC (“Oakstone” or “Plaintiff”), by and through its undersigned counsel, hereby files this Verified Original Petition; Application for Temporary Restraining Order; and Application for Temporary and Permanent Relief (the “Petition”), against Defendant BankUnited, N.A. (“BankUnited” or “Defendant”), based on the following grounds:

**I.  
 INTRODUCTION**

As a law firm specializing in debt collection defense, Oakstone assumed the representation of a number of clients from another law firm, the Litigation Practice Group, PC (“LPG”). To that end, LPG terminated its relationship with these clients on or about February 2, 2023 – and with it, terminated any authorizations to take automatic debits from these clients’ bank accounts for the clients’ monthly payments for legal services. At that time, LPG also terminated any other party’s access to the CRM (customer relationship management) software LPG uses to maintain records of client payments, including the date and amount the client authorizes for payments in a given month.

Even so, and despite instructions to cease and desist, BankUnited continues to debit Oakstone's client accounts daily, allegedly on behalf of LPG. Moreover, because BankUnited no longer has access to client payment instructions and authorizations, it causes many of Oakstone's clients to be double-billed.

These duplicate withdrawals have not only caused doubt and confusion for Oakstone's clients but also necessitated Oakstone refunding the customers' monthly payments. More importantly, because BankUnited is erroneously using payment information from prior months, numerous clients who do not have a payment due are being debited, and numerous other clients have a payment pull in a different amount than what those clients have authorized in the month of February. If this improper conduct continues, Oakstone will be unable to cover its operating expenses and will be forced to shutter its doors. As such, this suit has become necessary, and the Court must immediately enjoin BankUnited from taking automatic payments from these accounts. By this action, Oakstone seeks to stop these actions, enforce its rights, and seek redress for BankUnited's continuing and irreparable injury to Oakstone.

## **II.**

### **DISCOVERY PLAN AND RULE 47 DISCLOSURE**

1. Pursuant to the Texas Rule of Civil Procedure 190.4, discovery in this matter will be conducted under a Level 2 Discovery Plan, subject to any Court Order expediting discovery in this matter.

2. Pursuant to Rule 47(c) of the Texas Rules of Civil Procedure, Plaintiff discloses that it currently seeks monetary relief over \$1,000,000, including damages of any kind, penalties, costs, expenses, pre-judgment interest, and attorneys' fees. Plaintiff also seeks other non-monetary relief.

### **III.** **PARTIES**

3. Plaintiff Oakstone Law Group, PC is a company organized and existing under the laws of California and has its principal place of business located at 888 Prospect Street, Ste 200, La Jolla, CA 92037.

4. Defendant BankUnited, N.A., is a foreign corporation organized under the laws of the State of Connecticut, with its principal place of business located at 14817 Oak Lane, Miami Lakes, Florida 33016. At all relevant times, BankUnited was authorized to and is both doing and transacting business in Texas. BankUnited may be served with process through its registered agent Corporation Service Company d/b/a CSC – Lawyers Incorporating Service Company, 211 E. 7<sup>th</sup> Street, Suite 620, Austin, Texas 78701-3218, or wherever it may be found.

### **IV.** **JURISDICTION AND VENUE**

5. This Court has jurisdiction over this action by virtue of the relief sought herein, and because the amount in controversy exceeds the minimum jurisdictional requirements of this Court. This Court has jurisdiction over BankUnited because it is registered to do business in Texas, has meaningful ties, business relationships and/or contacts in Texas, has displayed an intent to serve the market in Texas, and is committing tortious actions within Dallas County that harm Dallas County residents.

6. **V.**  
**FACTUAL ALLEGATIONS**

7. The Litigation Practice Group, PC (“LPG”) is a law firm that provides debt relief and debt resolution services to a large portfolio of over 50,000 clients. In return, these customers signed Legal Services Agreements authorizing LPG to collect monthly payments by withdrawing directly from their accounts. LPG processes between 700 and 2,000 payments per day.

8. On or about January 11, 2023, PECC Corporation (“PECC”) exercised its remedies against LPG under a promissory note on which LPG had defaulted. PECC held a perfected, secured interest in the receivables of LPG. PECC was among the largest creditors of LPG. As a debtor to PECC, LPG was unable to continue to bear the cost of servicing the customers and terminated the Legal Services Agreements it had with the customers. The payment authorizations the customers executed as part of the Legal Services Agreement were also terminated at that time.

9. Upon the termination of its Legal Services Agreements, LPG referred approximately 15,000 customers (the “Customers”) to Oakstone Law Group, PC (“Oakstone”), a customer protection law firm capable of servicing the Customers. Oakstone helps these Customers, who are dealing with high-interest debt or bills, with legal representation against their creditors and debt collectors.

10. Oakstone agreed to take on the servicing of these clients and received the transfer of these files. The Customers signed legal service agreements with Oakstone and authorized Oakstone, as part of these agreements, to pull monthly payments directly from the Customers’ accounts. Thus, Oakstone exclusively owns all authority to process payments from the Customers, on behalf of itself and PECC. To accomplish this, Oakstone set up its own separate system of debiting the Purchased Accounts, with customer authorizations and agreements to permit the

debits. Moreover, Oakstone is actively communicating with clients to ensure the payment date and amount are actually authorized by the Customers.

11. Shortly thereafter, LPG became aware BankUnited continued to process payments from Customers after LPG had terminated its representation of those Customers and after it had rescinded access to the CRM containing accurate data regarding authorized client payments. This led to Customers being billed twice – once by Oakstone’s processor and once by BankUnited – and also led to Customers having payments pulled even though they had withdrawn their authorization for anyone, including Oakstone, to pull a payment.

12. As such, on February 6, 2023, LPG sent a written cease and desist to Marich Bein, LLP (“Marich Bein”), demanding Marich Bein stop processing Customers’ payments and withdraw any authorization or instruction to BankUnited to process automatic debits. LPG’s letter clarified for Marich Bein that using old data would Customers having payments pulled in the wrong amount, on the wrong date, and on accounts where payment authorization had been withdrawn in a given month. A true and correct copy of the termination correspondence from LPG to Marich Bein is attached as **Exhibit “A-1.”**

13. BankUnited no longer has any authority to debit Customers whose relationship with LPG had been terminated and who are now represented by Oakstone, an entity with no agreement of any kind with BankUnited. Regardless, BankUnited continues to charge Customers allegedly on behalf of “LPG”:

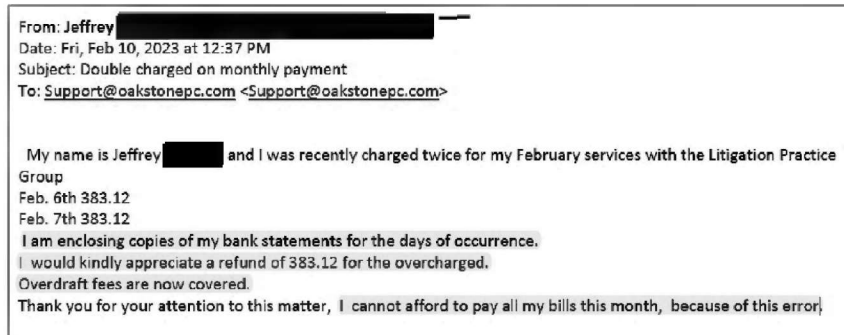

These erroneous “LPG” charges cause customers (like the one above) to be charged once by “LPG” (but, really, BankUnited) and again by Oakstone for their monthly legal services fee.

14. On or about February 10, 2023, Oakstone sent further correspondence to BankUnited, reiterating any such authorizations for the Purchased Accounts were revoked and/or terminated at the same time. A true and correct copy of this correspondence is attached as **Exhibit “A-2”** (with an attached list of the Purchased Accounts attached, which will be provided to the Court *in camera* due to confidential and privileged client information), attached to **Exhibit “A,”** the Declaration of Oakstone’s chief financial officer, Dougliang Jiang.

15. Even so, BankUnited continues to complete these withdrawals from Customers’ bank accounts – which amounted to hundreds of thousands of dollars and a number of customer complaints concerning improper debits. Specifically, these automatic withdrawals continue to cause Customers to have overdrafts and fees, prevent them from making other timely payments,

affect their credit scores, and result in Customers canceling their enrollment with Oakstone. For example, one customer wrote:

Further examples of these complaints are attached as **Exhibit “A-3.”** Many of these customers reside in Dallas County. A true and correct copy of the spreadsheet of Dallas County and Texas Customers will be provided to the Court *in camera* as **Exhibit “A-4”** due to confidential and privileged client information.

16. The double debits forced Oakstone to refund these Customers their monthly payment amounts. Further, to prevent Customers from leaving and to save their reputation and goodwill, Oakstone stopped collections from Customers because BankUnited refused.

17. Specifically, on or about February 13, 2023, in response to Oakstone’s cease and desist to BankUnited, counsel for Marich Bein issued correspondence to Oakstone asserting Marich Bein’s alleged superior right to the Purchased Accounts. A true and correct copy of correspondence is attached as **Exhibit “B-1,”** attached to **Exhibit “B,”** the Declaration of Oakstone’s Texas counsel, Rusty O’Kane. However, at Oakstone’s request, Marich Bein failed to produce any evidence in support of its claim LPG “assigned, sold and conveyed certain accounts” to Marich Bein or evidencing LPG gave Marich Bein the exclusive and non-cancellable right to service the Purchased Accounts that would allow BankUnited to continue these withdrawals. A

true and correct copy of this request is attached as **Exhibit “B-2.”** In any event, LPG does not have actual or apparent authority to bind Oakstone.

18. If Oakstone is precluded from collecting its monthly charges from the Customers, Oakstone will be unable to cover its operating expenses and faces shuttering its doors as early as next week. This will result in more than 15,000 clients – many of them Dallas County residents – going without representation in court, including in ongoing lawsuits across the country.

19. Thus, Oakstone seeks emergency court intervention to stop the double-debiting of the Purchased Accounts, refund the fees debited, and restore the relationships between Oakstone and its clients.

## **VI. CAUSES OF ACTIONS**

### **COUNT ONE – DECLARATORY JUDGMENT**

20. Plaintiff repeats and realleges all prior paragraphs.

21. Plaintiff Oakstone seeks a declaratory judgment to resolve questions concerning the respective rights, obligations, and duties of Oakstone and Defendant with respect to the Purchased Accounts.

22. An actual case or justiciable controversy exists between Oakstone and Defendant concerning Oakstone’s superior and exclusive entitlement to charge the Purchased Accounts and to the parties’ prospective rights and obligations.

23. A judgment would serve a useful purpose in clarifying and/or settling these legal issues.

24. Further, the issuance of declaratory relief by this Court will finalize some or all of the existing controversy between the parties and will offer relief from the parties' uncertainty concerning the Purchased Accounts and their prospective rights and obligations.

25. By reason of the foregoing, Oakstone is entitled to a declaratory judgment establishing superior and exclusive ownership and entitlement to charge the Purchased Accounts.

26. Therefore, Oakstone requests this Court issue declarations that:

- a. Oakstone holds sole and exclusive entitlement to debit the Purchased Accounts;
- b. BankUnited has wrongfully debited the Purchased Accounts since the Purchased Account were assumed by Oakstone; and
- c. Any prior authorization(s) granted to BankUnited to debit the customer accounts was/were properly revoked.

27. Unless the Court makes these declarations, Oakstone will suffer considerable and continuing economic and other harm.

28. Oakstone requests this Court award Oakstone its reasonable and necessary attorneys' fees, plus interest and costs, incurred in pursuing these declarations and for such other and further relief as this Court deems just and proper.

## **COUNT TWO – TORTIOUS INTERFERENCE WITH AN EXISTING CONTRACT**

29. Plaintiff repeats and realleges all prior paragraphs.

30. Pleading in the alternative, to the extent necessary, Oakstone has contracts with the Customers to provide legal services.

31. Defendant knew of these contracts yet continue to intentionally interfere with them. Despite notice, Defendant continue to make automatic withdrawals from Customer accounts, and Oakstone suffered damages as a result.

32. Accordingly, Oakstone has been damaged in an amount to be determined at trial.

**COUNT THREE – APPLICATION FOR TEMPORARY RESTRAINING ORDER,  
TEMPORARY INJUNCTION, AND PERMANENT INJUNCTION**

33. Plaintiff repeats and realleges all prior paragraphs.

34. Oakstone seeks a temporary restraining order pending this Court's ruling on a preliminary injunction because BankUnited is debiting the Purchased Accounts daily, with the intent to preclude Oakstone from rightfully collecting from the Customers.

35. Unless restrained by this Court, BankUnited will continue its improper and unlawful actions of withdrawing from the Purchased Accounts, interfering with Oakstone's relationships with Customers, and Oakstone will continue to be immediately and irreparably harmed as a result.

36. Injunctive relief is fully warranted due to the continued harm and damages flowing from BankUnited's actions—damages that are difficult to calculate, and attempting to calculate those damages would lead to a multiplicity of actions.

37. Customers make monthly payments to Oakstone, which usually amount to several hundred dollars per month. These customers cannot afford to have BankUnited double charge them. Many customers have complained to Oakstone these automatic withdrawals have caused their accounts to overdraw, have prevented them from making other payments, and have affected their credit scores. *See Exhibit A-3*. Customers are canceling their subscriptions with Oakstone as a result.

38. The threatened harm to Oakstone outweighs the threatened harm to BankUnited. If a TRO (and later, temporary injunction) is not issued, Oakstone will lose more customers and faces a substantial threat to its reputation and the goodwill it has built with those clients. If Oakstone is

further precluded from collecting its monthly charges from the Customers, Oakstone will be unable to cover its operating expenses and faces shuttering its doors as early as next week.

39. As a direct and proximate cause of BankUnited's unlawful conduct as described above, Oakstone has suffered damages that cannot be reasonably ascertained at present. Oakstone has also suffered incalculable reputational damages for which Oakstone has no adequate remedy at law. Oakstone is, therefore, entitled to an injunction enjoining BankUnited from further unlawful acts.

40. The public interest also weighs in favor of granting a TRO and temporary injunction because that interest includes the need for protection and security from customers from being double-billed by unauthorized third parties. Customers authorize Oakstone to make these payments rely on Oakstone's reputation to appropriately and adequately make those withdrawals without issue. Due to BankUnited's conduct, Oakstone may be abruptly unable to provide legal services to these 15,000 Customers altogether. This would result in more than 15,000 clients going without representation in court, including in ongoing lawsuits across the country.

41. Oakstone has demonstrated through this pleading, and the evidence attached hereto it will likely succeed on the merits of the case, and it will suffer immediate and irreparable injury if BankUnited and those acting in active concert or participation with it, are not immediately enjoined from its wrongful acts. By virtue of the foregoing, Oakstone has also demonstrated it has no adequate remedy at law, and a balancing of the equities favors the issuance of an injunction against BankUnited.

42. Therefore, Oakstone is entitled to a temporary restraining order followed by temporary and permanent injunctive relief. Oakstone requests the Court issue a temporary

restraining order and temporary injunction, thereafter to be made permanent, immediately enjoining and restraining BankUnited, its agents, servants, employees, and attorneys, and those persons in active concert or participation with it, as follows:

- (a) Accepting, directing, or initiating automatic payments, transfers, or debits from any of the Purchased Accounts without Oakstone's express written authorization; and
- (b) Taking any action to prevent Oakstone from accepting, directing, or initiating automatic payments, transfers, or debits from any of the Purchased Accounts.

#### **COUNT FOUR -- ATTORNEYS' FEES**

43. Because of Defendant's actions, Oakstone was required to retain the undersigned attorneys and has incurred, and continues to incur, fees and expenses. Oakstone is entitled to recover payment from Defendant for its reasonable and necessary attorneys' fees under Chapter 37.009 of the Texas Civil Practice and Remedies Code.

#### **VII. CONDITIONS PRECEDENT**

44. Prior to the filing of this action, Oakstone satisfied all applicable conditions precedent for bringing this suit.

#### **VIII. JURY DEMAND**

45. Oakstone hereby demands a trial by jury on all claims so triable.

#### **IX. REQUEST FOR RELIEF**

**WHEREFORE**, Oakstone requests that judgment be entered in its favor and against BankUnited and that Oakstone be granted the following relief:

- A. Enter declarations against Defendant as requested herein;
- B. Finding Defendant tortiously interfered with Oakstone's contract(s);

C. A temporary restraining order and temporary injunction, thereafter to be made permanent, against BankUnited, its agents, servants, employees and attorneys, and those persons in active concert or participation with it, as follows:

- a. Accepting, directing, or initiating automatic payments, transfers, or debits from any of the Purchased Accounts without Oakstone's express written authorization; and
- b. Taking any action to prevent Oakstone from accepting, directing, or initiating automatic payments, transfers, or debits from any of the Purchased Accounts.

D. Enter judgment against Defendant for actual damages, pre- and post-judgment interest, and attorneys' fees and costs; and

C. Such other and further relief as requested herein and/or to which Oakstone may otherwise be entitled.

Ex Partes Application to Advance Pro Hac Vice at 1:30 PM is advanced to 10:00 AM.

Ex Partes Application to Advance Pro Hac Vice at 1:30 PM is advanced to 10:00 AM.

The Court hears oral argument and confirms & modifies the tentative ruling as follows:

Plaintiff Validation Partners LLC's Motion to Appoint Receiver and Request for Preliminary Injunction are granted. The court concludes that plaintiff has established that a receiver should be appointed, consistent with the provisions of CCP §564. Plaintiff has shown that it is a creditor of defendant The Litigation Practice Group PC, and that defendant's property is in danger of being lost, removed or materially injured. Plaintiff also has shown that the appointment of a receiver is necessary to preserve both defendant's property and plaintiff's rights. Byron Z. Moldo is hereby appointed as the Receiver in this action. The court further orders the issuance of a preliminary injunction such that defendant The Litigation Practice Group PC must immediately cease all disbursements of funds from its bank accounts and may not make any asset transfers pending assumption of control by the Receiver. The required undertaking pursuant to CCP §§567 and 529 is set at \$10,000.

The Temporary Restraining Order which the court granted on December 21, 2022 is vacated. As to the Order to Show Cause re Preliminary Injunction which the court issued on December 21, 2022, the court orders that pending the trial of this action, or further court order, defendant The Litigation Practice Group PC may not sell any of the accounts listed in Exhibit 21 of plaintiff's exhibits to third parties, and may not spend any amount of money that would result in defendant having less than \$4,481,960 cash on hand.

Intervenors Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2, LLC's Request for Joinder is granted.

Prospective Intervenor Stratcap Management, LLC's Motion to Intervene and Stay Action Pending Resolution of Related Case is denied. Stratcap's proposed Complaint in Intervention doesn't even identify who its defendants are. Nor has Stratcap shown that its proposed Complaint in Intervention satisfies any of the required criteria set forth in CCP §§387(b)(1), (2) and (3). Plaintiff and Intervenors allege and have shown that Stratcap purported to purchase about \$40 million of The Litigation Practice Group's assets for \$1, that The Litigation Practice Group has transferred about 16,000 of its files to another law firm, Oakstone Law Group, and that Diab and The Litigation Practice Group paid Stratcap's primary owner and manager, Wesley Thomas, to file the Florida lawsuit which led to Stratcap moving for a stay of this action. Thus, it does not appear that Stratcap is either joining a plaintiff in claiming what is sought by the complaint, uniting with a defendant in resisting the claims of a plaintiff, or demanding anything adverse to both a plaintiff and a defendant, as required for intervention.

Defendants The Litigation Practice Group PC, Daniel March and Tony Diab's Ex Parte Application to Continue February 10, 2023 Hearing Date is deemed moot by virtue of the continuance to March 10, 2023, and is ordered off calendar.

A Case Management Conference is also set for today and will go forward.

Plaintiff is ordered to give notice of the rulings unless notice is waived.

**Later same day:**

Hearing held on Ex Partes Application to Advance Pro Hac Vice.

The Court rules as follows:

Ex Partes Application to Advance Pro Hac Vice is granted in part. Hearing is advanced to 04/07/2023 at 10:00 AM in CX105.

Ex Partes Application to Advance Pro Hac Vice is granted in part. Hearing is advanced to 04/07/2023 at 10:00 AM in CX105.

**Later same day:**

Discussion on proposed order.

The Court rules as follows:

Parties are to meet and confer on a new proposed order.

The Status Conference is scheduled for 06/29/2023 at 1:30 PM in Department CX105.

Court orders Plaintiff to give notice.

Court orders Defendant to give notice for Pro Hac Vice hearing including notice to the State Bar.

1 AWAY FROM THE BANK STATEMENTS. I'VE HAD TO SUBPOENA THEM.  
2 COUNSEL HAS BEEN REFUSING, NOT MS. SAYERS, I'VE NEVER  
3 TALKED TO MS. SAYERS. I TALKED TO THE REAL -- THE PRIMARY  
4 COUNSEL IN OHIO WHO'S GOING TO BE COUNSEL OF RECORD,  
5 MR. MATT ANDERSON. AND THEY'RE NOT GIVING US THE BANK  
6 STATEMENTS. THE CLIENT WON'T EVEN GIVE THEM TO HIM. I'LL  
7 EAT BOTH OF MY DRESS SHOES IN THIS COURTROOM IF THERE IS  
8 CURRENTLY \$4.5 MILLION IN ESCROW WHICH IS A DROP IN THE  
9 BUCKET ANYWAY. THAT'S NOT OUR MAJOR CONCERN.

10 THE COURT: MS. SAYERS, WHAT DID YOU WANT TO SAY  
11 ON THIS TOPIC?

12 MS. SAYERS: I JUST WANTED TO SAY, YOUR HONOR,  
13 THAT THE PAYROLL ISSUE THAT MR. MC LACHLAN IS REFERRING TO  
14 HAS TO DO WITH A PAYMENT ISSUE WITH THE DIRECT DEPOSIT,  
15 AND THAT LITIGATION PRACTICE GROUP DID END UP ISSUING  
16 PAPER CHECKS. AND THERE WAS ONE EMPLOYEE ON PATERNITY  
17 LEAVE WHO WAS NOT IN THE OFFICE WHO DID NOT GET HIS PAPER  
18 CHECK ON THE DAY HE SHOULD HAVE, SO THAT IS THE ISSUE.

19 AND IT WASN'T A MASS EXODUS OF EMPLOYEES  
20 BASED ON THIS FAILURE TO MAKE PAYROLL ON A SPECIFIC DAY.  
21 OVER THE LAST FEW MONTHS MY UNDERSTANDING IS THAT  
22 EMPLOYEES HAVE BEEN WEEDED OUT INCLUDING POSSIBLE  
23 EMPLOYEES WHO HAVE BEEN DISCLOSING CONFIDENTIAL  
24 INFORMATION OF LITIGATION PRACTICE GROUP OUTSIDE OF THE  
25 FIRM AND POSSIBLY TO PERSONS INVOLVED IN THIS LAWSUIT. SO  
26 THAT WAS THE EXODUS OF EMPLOYEES.

1                   THERE'S ALSO HIGH TURNOVER IN THESE TYPES OF  
2                   LAW FIRMS, SO IT WASN'T THAT PAYROLL WASN'T MET AND THERE  
3                   WAS AN EXODUS OF EMPLOYEES THE WAY IT'S BEING PORTRAYED.

4                   WITH RESPECT TO THE INJUNCTION, MY  
5                   UNDERSTANDING IS THAT THE MONEY IS IN PLACE, AND I  
6                   THINK -- MY UNDERSTANDING IS THAT MR. MC LACHLAN  
7                   MISUNDERSTOOD A STATEMENT THAT HAD BEEN MADE IN  
8                   NEGOTIATIONS YESTERDAY, BUT THAT THE INJUNCTION IS BEING  
9                   COMPLIED WITH AND THE MONEY IS IN THE BANK ACCOUNT.

10                  THE COURT:    OKAY.   MR. MC LACHLAN, YOU SAY IN YOUR  
11                  BRIEF IN THIS CASE -- FIRST OF ALL, YOU AGREE WITH MY  
12                  NEWLY GAINED UNDERSTANDING OF THIS CASE THAT YOUR CLIENT  
13                  IS NOT AN ASSIGNEE OF THE PLAINTIFF'S RECEIVABLES BUT  
14                  RATHER OF SOME MARKETING COMPANY'S RECEIVABLES?

15                  MR. MC LACHLAN:   NO.   AND I WAS GOING TO ADDRESS  
16                  THAT POINT BECAUSE I THINK SOME CLARIFICATION IS NEEDED,  
17                  AND IT'S EASY ENOUGH TO FIND THE PAPERS IF YOUR HONOR  
18                  WANTS TO, BUT I'LL RUN THROUGH THE HIGHLIGHTS.

19                  THE COURT:    BECAUSE YOU SAY THAT THE TOTAL VALUE  
20                  OF THE RECEIVABLES IS OVER \$400 MILLION.   SO I GUESS A LAW  
21                  FIRM TO HAVE ACCOUNTS RECEIVABLE OF \$400 MILLION IS A HUGE  
22                  NUMBER, BUT FOR A MARKETING COMPANY TO HAVE ACCOUNTS  
23                  RECEIVABLE FROM A LAW FIRM OF \$400 MILLION THAT SEEMS EVEN  
24                  MORE INCREDIBLE.

25                  MR. MC LACHLAN:   YEAH.   I THINK THE BEST WAY TO  
26                  UNDERSTAND THIS AND THERE'S SOME -- THERE IS SOME
